DEDICATION

This Book is dedicated to the Almighty Spirit,
the One hid from mortal eyes.
The same One whose eyes are watching all.
The Source of life and all powers.
The Supreme Being enthroned in Heaven.

INTRODUCTION

When a child is growing, she sees her parents do all kinds of things and she doesn't know why. She is ignorant of many things. The same way spiritually ignorant people see religious [or spiritual] people and idol Worshipers do all manner of rituals and image carving, but they don't know why. Some of them thinks that it is safer to stay away from the spirits and believe in none like the Atheists. That you choose not to believe does not mean that all that is written in the Scriptures shall not come to pass.

That a child does not know or choose not to believe that electric current kills does not mean that a powered electric transformer will spare his life. Whether you believe it or not, Spirits are for real; there's ongoing war between the spirits; and side-taking by humans is ongoing as well, consciously and unconsciously.

Your ignorance cannot stop spiritual people around you from stealing your luck or dodging an arrow over to you. The knowledge in this book can be an eye-opener to help you approach the world informed and stronger.

Since my encounter with the Spirit, I have continued to learn more about spirits' world and I would like to share a few of these things with you in this book. I must mention that this book take almost all references from the Holy Scriptures. I also attempt to create a balance in communication in this book assuming that I am writing to believers and non-believers at the same time.

I recommend a practical way to make contact with the Supreme Spirit who may decide to visit in the dream or daytime vision. I do not mean to attack anyone or any faith, I only state the Scriptures' position about things.

Happy reading!

CHAPTER SEVENTEEN

How the Almighty God Created Jesus and Angels as Spirits but Humans as Souls

[This chapter attempts to show what was before the world was. Focuses on the beginning of things and narrows down to humans' creation and their default spiritual family before their fall and transfiguration.]

- 1. Mankind was never Spirit; he was created as a Soul.
- 2. "In Christian theology the soul carries the further connotation of being that part of the individual that partakes of divinity and survives the death of the body".--Soul by George W. Moon
- 3. The sorrows of death compassed me, And the pains of hell gat hold upon me: I found trouble and sorrow. Then called I upon the name of THE LORD; O LORD, I beseech Thee, deliver my soul. Psalm 116:3-6
- 4. The LORD looked down from Heaven upon the children of men, to see if there were any that did understand... Psalm 14:2
- 5. Do you, O Soul, seek to understand, even, all the details?
- 6. In the sophistication of humans, they assume status to be weightier than matters of spirituality. Considering their social status, politics, business, academic qualifications and other physicality of our world, they would have a point to focus on the things that are visible than spiritual knowledge and its consciousness.

- 7. However, the day comes for everyone when our bodies shall become ashes and our eternal souls shall wait for the aftermath; this is the separation of the eternal Soul from the dying Body.
- 8. Because people die every day is one of the biggest proofs!
- 9. Where would you be? Do you seek to understand?
Beings of Reason
- 10. There are two forms of Beings of reason known to humans and these forms include Spirit – For example, God, Beings in Heaven and Fallen Angels. (John 4:24, Hebrews 1:7, Psalm 104:4) and secondly, Soul – For example, humans (Genesis 2:7)
- 11. Whereas, the Soul is carried in the animal body which makes him dwell and be visible in the land of the living humans.

Among the living Beings known to humans, there are only two forms that are Beings of Reason. The two living forms of beings known to humans are Spirits and Souls. Apart from these Beings, there are other living things which God created to serve the Beings of Reason. Examples are living objects such as animals, plants, planetary bodies, earth, waters, air, fire and others, both visible and invisible. Needful to keep in heart that the Creator of all living things is a powerful Spirit, everything He formed has spiritual potential of His mysteries, therefore, all the aforementioned creatures possess spiritual potential including the plants and planets.

- 12. In the Beginning of Everything before Spirits' Heavens and Humans' Planets were Formed
- 13. The first Being holding the mystery of every other creation is the Supreme Spirit; we can save our questions for how this supreme Spirit and Creator was formed if we make it through to meet in the coming new and eternal world. Isaiah 43:10
- 14. This same Almighty Spirit has seven manifold Spirits. Later in humans' world as it is today, the Spirit poured out of His seven manifold Spirits upon humans of today and it is referred to as the Holy Spirit or Holy Ghost upon humans. Joel 2:28
- 15. A popular question any inquisitive person might want to ask is about how the Spirit came to be. Maybe there is an answer, you will find out when you get there. For the meantime, read:

“...what is that to you? ...” John 21:22

- 16. This [Eternal] Spirit formed [begot] his first creature directly by himself; this is the most powerful thing he ever created and he, probably, stopped direct creation.
- 17. So that this first creature whom he created in Spirit form like himself becomes his only –begotten-creation; created directly by him.
- 18. Every other creature was created through the first creature and as a loving gift for the first creature.

- 19. All other creatures were formed through the first creature according to the will, instruction, glory, honor and power of the first [Eternal] Spirit and for the pleasure of the One [Eternal, Supreme Spirit], the Giver of life.

“...that the – [Eternal, Supreme] Spirit-- gave the humans his only begotten –creature-...” John 3:16

“... [the only begotten creature] who is the image of the invisible Spirit [God], the firstborn of every creature...”
Colossians 1:15-20

“All things were made by him [the only begotten creature] ...” John 1:3

“For you [the Almighty] created all things, and by your will [at your instructions] they were created ...” Revelation 4:11

- 20. As written earlier, the first Spirit created his first and most beloved creature as a Spirit like himself; you can replace the word Spirit with Deity or God so you can have an understanding that there was a Deity or a God before anything was.
- 21. Then, after the creation of the first creature [a Spirit, too], there are two Gods, Deities or Spirits. To differentiate them, we can use spellings like:

God [Creator] and god [creature] OR Almighty God [Creator] and God [creature]

Spirit [Creator] and spirit [creature] OR Almighty Spirit [Creator] and Spirit [creature]

Deity [Creator] and deity [creature] OR Almighty Deity [Creator] and Deity [creature].

- 22. These two living Beings –the God and a god-- have been living for eons before any other thing was created. They must have been enjoying a cordial relationship in timelessness.

“And now, Father, glorify me in your presence with the glory I had with you before the world was” John 17:5

“That which was from the beginning, which we have heard, which we have looked at and our hands have touched [him] – this we proclaim concerning the Word of life.” 1John 1:1

“In the beginning was the Word, and the Word was with [the] God, and the Word was [a god].” John 1:1

“He was with [the] God in the beginning.” John 1:2

- 23. “In the beginning”, as found in narratives in the Christian [66-Books Jewish] Bible, refers to a period when there was no time. We need to get the picture very clearly that it was only the Spirit and his only begotten spirit that ever was before anything else was created. They two have enjoyed a close and loving relationship for eons before the creation of others.

Names

- 24. The Almighty Spirit name was revealed to Prophet Moses in the Jewish Holy Bible and the revealed spelling is YHWH. Popularly pronounced as Yahweh and translated to the English language as Jehovah.

“And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty [Allah, Olodumare], but by my name JEHOVAH, was I not known to them.” Exodus 6:3

“That mankind [humans] may know that you, whose name alone is JEHOVAH, is the Most High over all the earth [humans’ universe including all their accessible planets and space].” Psalm 83:18

- 25. The very first name of the first creature is what we cannot say we know for sure, but we know the name that was later given unto him before coming to humans’ world to complete the mission which Jehovah sent him.
- 26. The name given after his first [unknown] name is Jesus – Jesus the Christ.

“She will give birth to a son, and you are to give him the name Jesus, because he will save his people [his disciples and his believers] from their sins.” Matthew 1:21

“You will be with child and give birth to a son, and you are to give him the name Jesus.” Luke 1:31

“Therefore, God [the Almighty Creator] exalted him [the only begotten creature] to the highest place and gave him the name that is above every name. That at the name of Jesus every knee should bow, in heaven and on earth and under the earth.” Philippians 2:9-10.

- 27. Yet another name is given to him [the only begotten creature] which is different from Jesus. This name is a lovers' secret between Jehovah and Jesus for no one else knows the name. This name would only be revealed in the new world from Heaven

“...and he has a name written [by who?] on him that no one knows but he himself.” Revelation 19:12

Checks

- a. Jehovah is the Creator that was not created. He is the source of all creatures and the Giver of life.
- b. He created Jesus and, through Jesus, Jehovah created every other thing that has life in it.
- c. The love between Jehovah and Jesus cannot be fathomed or described.
- d. Jehovah formed everything for his own pleasure and to delight Jesus.
- e. Jehovah and Jesus have been enjoying an inseparable relationship since the timeless period before the worlds and the inhabitants were formed. It has always been the two of them from the beginning.
- f. The secret of every creature is with Jehovah; he can create or destroy anyone, anything, anytime, for any just reason. He can never be overthrown; this is power!

Juice #1

No one would not love God the Almighty if only they could behold his beauty. The most beautiful of all things cannot be more beautiful than Him.

The beauty of God can be very irresistible; beautiful in all situations. You will simply fall in love with him at first sight, wondering who this is.

If only you can see him, but he deliberately hides himself from carnal eyes.

No one would not want a relationship with God; to be proud of Him as your Father.

Even if He rejects you, you will still go behind Him claiming His Fatherhood.

Seeing his wealth than all world billionaires, even than trillions; seeing His power than all world armies and politicians.

If only you can see them, but they are deliberately hidden from carnal eyes.

No one would not fear God the Almighty if they came near His Throne.

The thunders that will make every part of the body shake for fear.

The mysterious and fearful voices from God knows where. The seven lamps of fire and the lumens of lighting your eyes cannot behold.

If only you would ever get there.

Angels and Other Spirits

- 28. The Holy Bible did not give details about how or when Angels were created. The Holy Bible simply made highlights about the resources used to create an ArchAngel called Lucifer [which you can read more about him later in this book].
- 29. The Holy Bible also mentioned that at the creation of earth [humans' universe], that the Angels [Sons of God] shouted for joy.

“Where were you when I laid the earth’s foundation? Tell me, if you understand.” Job 38:4

“while the morning stars sang together and all the angels shouted for joy? [for a completed beautiful project – a new living estate]” Job 38:7

- 30. We cannot write much about the creation of the Angels because the Bible deliberately did not give us enough information about them, their hierarchies, names or purpose.
- 31. But one thing is certain that the Angels were created as Spirit, in the spiritual being of God himself; Angels are not souls.

“In speaking of the angels he says, ‘He makes his angels spirits, and his servants flames of fire.’ Hebrews 1:7, Psalm 104:4. NIV

- 32. In the beginning before genesis time, [genesis time, as we know, began in the record of things that happened in Genesis of Christian Bible], the morning star and the Angels were already in life.
- 33. The Angels witnessed the creation of humans' world but not all the creatures in Heavens were present at the spot where God created the humans.
- 34. God formed man as a soul and not as a spirit, therefore, man has no spirit [but the life in him is called spirit in some human languages]
- 35. Except, of course, if the spirit that we refer to in humans means the "life", that breath of life.
- 36. The Being of Mankind is Soul since creation

"And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." Genesis 2:7.

Juice #2 [food for debaters – debates can inspire research]

Do you remember the Great Two?

The God and a god. The eternal lovers, loving one another from eternity to eternity. In timelessness.

This love affair is, literally, a Father and Son relationship.

So sweet one. God the Father decided to delight his son and so he proposed other creatures.

The Bible Book of Colossians 1:16 shows that everything was created for His son.

To bring other creatures to life, God the Father is, perhaps, giving the command; The command for what to be created and the empowered Jesus fulfills it.

We do not know the things in heavens, how they were formed, or even the Angels. But we see how the command-line worked in Genesis chapter 1 from verse 3

Now let's bring young ones, youths and elders to a thinking table.

When God gave command of what to be made, Jesus executes the command, in some cases, through ministering Angels. And there are some that the Word would not need Angels for. What are your thoughts about this? "Let there be", "let there be" and "let there be" can also sound like instructions?

Then, in Genesis 1:26, God said, "Let us make human in our own image, in our likeness..."

Was God talking to many creatures or just one creature?

"Let us..."

If God was talking to just one creature, who would that creature be? How many creatures have the likeness of God, the image of God?

Does mankind have wings or special parts like Angels?

But if it is an invitation to all spirits, then 'Let us make man like us, in our image could mean that, "let us make mankind a reasoning being like us".

What are your thoughts?

Capability of the soul in spiritual world

- 37. Man was never a Spirit. Man was created as a Soul and the good part is that the Soul can see and communicate with the Spirits.
- 38. Adam saw God and communicated with God in the Garden of Eden before the Glory of God left him and he became trapped in Flesh.

"And they [Adam and Eve] heard the voice of JEHOVAH God walking in the garden in the cool of the day: and Adam and his wife hid themselves from the presence of the LORD God amongst the trees of the garden." Genesis 3:8

- 39. Genesis 3:8 was not the first time that God would come to visit Adam alone before Eve was formed for him. And He continued to visit them both.
- 40. If Adam continued to see God and talked with him before his fall, can any other creature be more Spirit and invisible than God?
- 41. Therefore, the Soul, stand-alone, can see and communicate with the spirits without any need for enhancement.
- 42. However, since the Soul was wrapped in the flesh, it now uses the eyes and ears of the flesh which cannot see or hear the spirits, except, it is enhanced.
- 43. The process of enhancement is a spiritual process.
- 44. Humans are now Soul in the Flesh container. The human Flesh that trap the Soul is not far different from animal flesh.

The process of enhancement of soul-in-flesh is spiritual.

- 45. Therefore, do not feel offended when Biology refers to humans as Homo sapiens, and a family of mammal animals. [Although, the Biological Darwin theory of evolution remains untrue, knowing how we were formed.]
- 46. Humans are Souls trapped in animal Body.

Genesis 3:7a records:

"Then, the eyes of them both were opened, and they realized they were naked;"

The eyes of the soul which can see spirits were closed and transformed into carnal eyes and other sense organs.

What happened to Adam and Eve in the Garden of Eden is what I refer to as TRANSFIGURATION.

Their form was transfigured. An example that establish the possibility of transfiguration is in Matthew 17:1-13.

Humans form shall be changed again through the process of redemption and salvation from carnality and damnation after God's Day of Judgment. ref.: 1Corinthians 15:52

Spiritual Tribes

[In the title of this book, apart from Spiritual Families, the Spiritual Tribes refer to the difference in form, purpose and capabilities of each group of spiritual beings. The Christian Bible shows that the Seraphs are different from the Cherubs. So, too are the Elders in God's Throne different from the hosts of other Angels. The word "Tribe" in the context of this book does not take only the

appearance of the spirits into consideration but their purpose, capabilities and to a far extent, their traits.]

- 47. There is actually undocumented agreement in spiritual teachings by spiritual teachers of light that in the beginning, [before time was] everyone in Heaven and Heavens above belong to one spirit fold but in different tribes.

Note for this book title that all the below statements can be correct:

“Spirits and spirits' tribes”

“Spirit-beings and their tribes”

“All the spirits in tribes”

“Spirit-family and tribes”

“Spiritual Family and Tribes”

“Spiritual Families and Tribes”, where there are more than one family.

Souls and Tribes?

- 48. Tribes also exist among humans.
- 49. This is evident among humans for the fact that there are different cultures and traditions of which a large number of people exhibit similar traits and have similar physiology and chemistry. [This book attempts to explore the spiritual world and also shows that there are two spiritual families and each family has different tribes. Overall, there is more focus on spiritual families than their tribes in this book]
- 50. As humans continue to go after spirits and spiritual practices for numerous reasons, there is a

need to understand the spiritual realm better. [This book may not show you all about the spiritual realm but it may offer good basics to prepare you for a new approach to life entirely.]

Burning of Souls for Eternity

- 51. This sounds like a torment that will never end, although it is literal.
- 52. The reality today is that there are two spiritual families and one of the families vowed to burn the other family in a lake of fire for eternity, along with any soul that aligns with them.
- 53. This human world is temporal and this is why you see people still die in this world.
- 54. Everything in this world will be destroyed by fire at the appointed time and the One who said so is the Spirit that humans call the Almighty God of Heaven.
- 55. Do not blame Him and do not try to judge because He is forever faultless. [You will find out the reason He vowed to burn them on the pages of this book.]
- 56. Eternal burning will certainly happen because everything that this Almighty God says always happen.
- 57. This is not a threat from him, it is a judgment upon the other spiritual family but every soul can avoid this judgment in simple steps.
- 58. Although, there were already two spiritual families before Adam and Eve were created [the Parents of all humans]

- 59. But Adam and Eve belong to the spiritual family of God and not of Satan.
- 60. At a time in human history, the Glory of God left humans so that they become wrapped in Flesh and they saw their own nakedness as read in Genesis 3:7
- 61. Subsequent curses followed their erring and humans' connection with God was broken.
- 62. The good news [Gospel] is that God has fixed this broken link in our time so that humans can communicate and belong to Him again and forever in His love, pleasure and treasure.

“Then the eyes of both of them were opened, and they realized they were naked...” Genesis 3:7. (Were they not seeing with their eyes before? Of course they were but it was their form that changed; the eyes of their soul was shut and that of flesh, opened – transfiguration.)

- 63. Part of the definition of sin is the disobedience to God's commandments and this is what Adam and Eve did; they disobeyed God and became sinners.
- 64. For violating a governing law of God, they became like state criminals – sinners!
- 65. Jesus confirmed that sinners belong to the family of Satan and not of God, because God is too Holy (and lawful) to behold or tolerate sin (outlaw). (1John 3:4-8, John 8:42-44)

1John 3:4-8

“4 Everyone who sins breaks the law; in fact, sin is lawlessness. 5 But you know that he appeared so that he might take away our sins. And in him is no sin. 6 No one who lives in him keeps on sinning. No one who continues to sin has either seen him or known him. 7 Dear children, do not let anyone lead you astray. The one who does what is right is righteous, just as he is righteous. 8 The one who does what is sinful is of the devil, because the devil has been sinning from the beginning. The reason the Son of God appeared was to destroy the devil’s work.”

John 8:42-44

“42 Jesus said to them, “If God were your Father, you would love me, for I have come here from God. I have not come on my own; God sent me. 43 Why is my language not clear to you? Because you are unable to hear [understand] what I say. 44 You belong to your father, the devil...”

- 66. The law they violated to become sinners was when God warned Adam and by proxy, Eve, in the reference in Genesis 3:3. Also, read Genesis 2:17.

“But God did say, ‘You must not eat fruit from the tree that is in the middle of the garden, and you must not touch it, or you will die.’ Genesis 3:3. (They chose death when they chose to eat the forbidden fruit, therefore, they become trapped in a dying body. This is the first death)

- 67. Now, since the Soul has become trapped in the Flesh, it sees no Light of God and hearing from God, his Word or his Angels becomes rare, anti-social and burdensome.
- 68. The Soul now depends on the sense organs of the flesh and the science of the physical world to survive.
- 69. But for God so love the humans of the world, he allowed a vacuum in the heart of their Soul which is the seat of life so that it can be filled with His Spirit. This vacuum is what causes the spiritual hunger in humans, including those who denies or repress their interest in things of the spirits' world.
- 70. The Holy Spirit as an interim spiritual enhancement offered by God for as many humans that would receive it to walk through this first world.
- 71. It is not only the Holy Spirit that can inhabit the vacuum in humans' hearts, other spirits can. However, no spirit can dwell in any human without permission, spiritual debt, curse, spiritual inheritance by lineage, oppressive invocation or offensive spell. [Jinx is real by demons-inhabited lives, affecting them and people or things around them. Demons are spirit as well who can dwell with humans because there is a vacuum in humans that spirits can occupy. It is the reason that Jesus' works involved casting out of demons many times.]
- 72. The best place the Holy Bible points that the spirit can dwell in humans is their hearts. Take as illustration, your fleshy heart that pumps blood is the seat of life because in blood is life; Also, your Soul's

heart is the seat of life because spirits can possess that space in your unconscious world. More reason God asked that you should give him your heart in Proverbs 23:26.

- 73. As you get deeper into spiritual knowledge, your sub-consciousness would be able to communicate spiritually. Yes, spiritual communication is another milestone in spiritual journey and deepening and you should be able to do that consciously without night dreams.
- 74. The highest level [spiritual milestone] is for you to use your spiritual consciousness and ability to create physical change; to make something happen in the physical world through creation, recreation, transformation or destruction of realities or situations.
- 75. Science does not believe in creation or destruction of matter but believes in transformation; whereas, creation and destruction are possible in the spiritual realm and causing a resultant physical evidence in humans destinies, governments, things, places and in all other things.
- 76. The heart [humans are naturally unconscious of it] of your soul is the abode of spirits and your meeting realm with them; and you will decide which kind of spirit you want to allow to dominate that space since you have autonomous authority over that space [your realm]. You can either renounce and revoke the permission given to the demon spirits or cast them out of occupation that happened through spiritual

debt, curse, spiritual inheritance by lineage, oppressive invocation or offensive spell. The process of casting them out is through spiritual activities of true knowledge of light.

- 77. The human has now become a being to choose. He must now choose which spiritual side he prefer to belong between the two spiritual families that were before he was created.
- 78. By default, mankind belongs to the family of God upon his creation.
- 79. The sin he committed is a choice he would ever first make in his life and whether he chose well depends on your judgment about God.
- 80. The Loving JEHOVAH has given mankind a way out of the eternal burning judgment upon the second family so they can use a bridge [blood of the sacrificed Messiah] to cross back into his family; for as many who will receive JEHOVAH's offer.
- 81. All the spirits belong to two families and each spiritual family has different tribes.
- 82. Most of the spirits reach out for the heart [spiritual realm] of every Soul because they all want to gain more Souls to drag them along; one family to eternal life and the other to eternal destruction.
- 83. Even God Almighty wants the human heart so that His Spirit may dwell therein till you walk through this first life.

Genesis 6:5, Genesis 8:21, Jeremiah 17:9, Ezekiel 36:26-27, Proverbs 23:26, Revelation 3:20.

CHAPTER EIGHTEEN

ArchAngel Lucifer Defiled God's Government and Broke the One Big Family of All Spirits

[This chapter briefly examines concepts of ruler-ship and the need for someone to be in charge of the people and material resources in humans' world. It then compares the same need for who should be in charge of, to rule over, every living thing and space created. It considers the governance style of heaven to be familial. It began as one family, then broke into two families with many Tribes and Heaven became one family again]

- 1. We have an understanding so far that there is One who was before anyone and anything else, and by whose will and power, all things have their being.
- 2. Also, before the creation of all things as it were and as it is, the first creature of the One is Jesus.
- 3. Since they [all heavenly beings] became more than two with a massive number of heavenly spirits [hosts], and unending [formed] space available to be inhabited, there is a need to allocate territories, heads and responsibilities.
- 4. The One needs just a few heads to rule over all the heavenly territories and the heads can commission others to help them govern better. The One does not really work with large numbers of leaders or heads, yet He can be with every creature side-by-side all the time as the Omnipresent.
- 5. The One [God] as known does not depend on large numbers to get things done.

- 6. For example, all of his spirits are only seven; he created the humans' world in six days; there are just twelve tribes of Israel; there are only twelve disciples for Jesus; and God used Gideon with just three hundred soldiers [not the movie but you can watch and enjoy the movie -300 Spartans] to defeat an entire Midianite Army, among others.
- 7. More so, studying how few spirits were granted access into the Throne of God despite the battalions of Angels available and surrounding the Throne, we can only infer that God works with small numbers or committees to prove further that his strength is not dependent on his many creatures.
- 8. Therefore, we can agree, perhaps, that the allocations of territories, hosts and control in Heaven would not be very large numbers.
- 9. The heads of these allocations have direct and regular meetings with God in his Majestic Office (Heaven is God's Throne/Office – Isaiah 66:1).

“Thus says the LORD (Almighty God), "Heaven is My throne... [which of the Heavens?]" Isaiah 66:1

“behold, heaven and the heaven of heavens cannot contain Thee...” 1 Kings 8:27

behold, heaven and the heaven of heavens cannot contain Thee...” 2 Chronicles 6:18

behold, heaven and the heaven of heavens cannot contain Thee...” 2 Chronicles 2:6

- 10. This may be the possible macro-management [or leadership] style in Heaven by assigning few spirits into really large allocations that cater to the responsibilities of so many.
- 11. The few selected spirits are rulers as well under the ruler-ship of God; they are authorities, dominions, principalities and powers.

“far above all rule and authority, power and dominion, and every name that is invoked, not only in the present age but also in the one to come.” Ephesians 1:21

“and in Christ you have been brought to fullness. He is the head over every power and authority.” Colossians 2:10

- 12. Position, status, rank, hierarchy and as such did not start in humans' world, it has been in the societies in Heavens.
- 13. The beauty of these positions and responsibilities in Heavens is simply that every privileged post holder was accountable, responsible and having the fear of judgment from God the Almighty Ruler for any abuse of power.
- 14. No section of spirits in Heaven were treated as masses who deserve no life or denied access to decent life.
- 15. Everyone seems to have access to power and level of autonomy without any rights' infringement.
- 16. They must be living more like family members, in different sizes and capabilities, as all of them, including the ArchAngels and other rulers, look up to the Almighty Creator as their Father.
- 17. Societies in Heavens sounds utopian?

Illustration

- 18. Multitude of people dwelling in a given large space of land and water will certainly need a Leader or King. This has been the practice in humans' world since ages past.
- 19. The people always have their Heads or Kings. The Kings rule over everything in the territory including people, land, water and the resources thereof.
- 20. It is also a practice that when one King dies another King should emerge because someone must be in charge of everything.
- 21. The reality in our world is that there are different people and places, so, there is more than one leader, king or ruler over regions and all.
- 22. Rulers emerge before or when there is need for it and this is a fact in human history.
- 23. The first thing that humans love to rule over is the land, waters and the resources therein [altogether, material resources].
- 24. Usually as first settlers, humans claim the material resources in the newly found unmanned space. The uninstalled ruler tends to protect the material resources for self and the immediate family and may be willing to share sections or regions with other first settlers.
- 25. They may eventually set up a government for, firstly, security reasons as proactive or reactive measures to thwart external threats intending to take the material resources from them.

- 26. They may agree to have a central government that would have more power than the subordinate governments [the subordinate government's are assumed to be the blocs of newer settlers].
- 27. There would be someone sitting on each government at the subordinates and at the center.
- 28. Instead of unitary rule, they may as well agree to keep a secretariat at the center for regulatory responsibilities while the agreeing subordinates [governments] remain sovereign. The governments in different geographic regions may be formed.
- 29. For the record, in human monarchy, the material resources are usually the first priority while the inhabitants [humans] usually fall on the second level of priority and may be further differentiated as indigenous and foreign settlers.
- 30. The ruler-ship over material resources may also include that which is present outside their territory like the infamous colonial masters in the world.
- 31. This observation about government priority is proven by the loudest theme in human history, in terms of monarchy and oligarchy government forms. However, human democracy either presents or pretends to do otherwise by placing the humans in the first place of priority
- 32. The bottom line is that, through the agreement of a few first settlers in a space and exploding into a space occupied by thousands or millions of people, there will be creation of a governing system with a ruler or committee of rulers sitting on it.

Two cases of Settlers [Kings or Rulers] in history Case Study One: Ruler-ship in Yorubaland

["the history of Yoruba people", "Oduduwa", "Benin Kingdom" and other related links are topics explored on Wikipedia to write a summary of Yoruba history as it complies with the context of this book.]

- 33. This is intended to let you see clearly by fact that when there are many people occupying a space and especially, with material resources, there would be a need for government.
- 34. More so, if someone among the settlers emerge as a monarch and form his or her cabinet and subordinate governments, such monarchs would probably want to place their child(ren) in charge of their government after their demise.
- 35. Sometimes, if they annex or take over a new territory or kingdom, they may elect to install their child as King in that newly overtaken Kingdom.
- 36. Can we say it is the same way God has promised to install His only begotten Son, Jesus as King over all the new coming world?

Read below a few highlights, from here and there according to thirteen Wikipedia pages, about the Ruler-ship in Yorubaland according to history [Keywords: Yoruba history, Oduduwa, Obatala, Yoruba Kingodms, Yoruba People, Yoruba Idols and Ancestors, Lamurudu and related pages]. Yorubaland is the ancestral land and resources of the Yoruba people.

THE TWO MOST RECOGNIZED RIVALS WHO FOUNDED ILE-IFE IN YORUBALAND TOOK LORDSHIP OVER RESOURCES AND ONE OF THEM, OBATALA, WAS SAID TO HAVE CREATED THE SOLID EARTH AND HUMANS. THIS CREATION STORY IS WHAT THEY TOLD THEIR CHILDREN AND MANY PEOPLE WHO WOULD BELIEVE THEM BECAUSE THEY, INDEED, KNOW HOW TO INVOKE MYSTICAL AND VODOO POWERS. LET US EXAMINE THE LINEAGE OF ONE OF THE OTHER RIVAL FOUNDER CALLED ODUDUWA.

- 37. The history of the Yoruba people begins in Ile-Ife.
- 38. This kingdom was founded by the deities, [never mind the word deity as used for they are mortals like you with knowledge and access to mystical powers from Fallen Angels and with their claim to have made physical contact with the Almighty God] – Oduduwa and Obatala, – who are believed to have created the world as sent by the Almighty God who they refer to as Olodumare.
- 39. Oduduwa was the first divine king of the Yoruba people, and Obatala fashioned the first human beings out of clay.
- 40. Popularly, the ancient Yoruba people believe that their civilization began at Ile-Ife where the gods descended to earth.

BUT WAIT! ONE OF THEM, ODUDUWA HAD A GRANDSON CALLED ORANMIYAN. HERE, YOU WILL

SEE HOW RULERS PREFER THEIR SON OR GRANDSON TO RULE KINGDOM(S) INSTEAD OF LETTING SOMEONE ELSE WHO'S NOT AN HEIR.

- 41. The People in another Kingdom called the Benin Kingdom requested Oduduwa to come and be their King, but for his age, he granted them Oranmiyan, his grandson, to rule over them.
- 42. Oranmiyan was resisted by Ogiamien Irebor, one of the palace chiefs, and took up his abode in the palace built for him at Usama by the elders now a coronation shrine in the 21st century).
- 43. Soon after his arrival, he married a beautiful lady, Erinmwinde, daughter of Ogie-Egor, the ninth Enogie of Egor, by whom he had a son.
- 44. After residing there for some years he called a meeting of the people and renounced his office, remarking in vexation Ile-Ibinu ("ile" means land, "binu" means anger, and thus the kingdom was called Ibinu, which was mispronounced Bini in the 15th and 16th centuries by the Portuguese).
- 45. This was out of frustration as he was often told that "only a child born, trained and educated in the [spiritual] arts and mysteries of the land could reign over the people".
- 46. He arranged for his son born to him by Erinmwinde, Eweka, to be made king in his place, and he returned to Yorubaland thereafter.

- 47. His son the new king was soon found to be deaf and dumb, and so the elders appealed to Oranmiyan.
- 48. He gave them spiritually charmed seeds known as "omo ayo" to play with, saying that to do so will make him talk. The little Eweka played with the seeds with his peers at Egor, his mother's hometown.
- 49. While playing with the seeds, he announced "Owomika" as his royal name.
- 50. Thus, he gave rise to the tradition of the subsequent Obas of Benin spending seven days and nights at Usama before proceeding to announce their royal names at Egor.
- 51. Eweka thus started a dynasty that now bears his name.
- 52. Oranmiyan went on to serve as the founder of the Oyo Empire, where he ruled as the first Alaafin of Oyo. His descendants now rule in Ile Ife, Oyo and Benin.

AS LAND AND PEOPLE BECOMES POPULAR AND MANY NON-YORUBA PEOPLE ENTERS YORUBALAND, THE FORMED INDIGENOUS GOVERNMENT CONTINUED TO RULE THE PALACES, HEIR AFTER HEIR.

- 53. The Ethnic group became popular internationally due to their trading with the Portuguese which also gave them guns for their trade.

- 54. The Yoruba were invaded by the Fulani in the early 1800s, which pushed the people to the South. In the late 1800s, they formed a treaty with the Fulani people and were colonized by the British in 1901.
- 55. The people who lived in Yorubaland, at least by the first century BC, were not initially known as the Yoruba, although they shared a common ethnicity and language group.
- 56. The historical Yoruba developed in situ, out of earlier (Mesolithic) Volta-Niger populations, by the 1st millennium BC.
- 57. This shows that Oduduwa and his entourage met some early settlers on that land before emerging as Rulers.
- 58. Archaeologically, the settlement at Ile-Ife can be dated to the 4th century BC, with urban structures appearing in the 8th-10th Centuries. "Between 700 and 900 A.D. the city began to develop as a major artistic center,"
- 59. And, "by the 12th Century, Ife artists were creating bronze, stone, and terracotta sculptures." The phase of Ile-Ife before the rise of Oyo, ca. 1100–1600, is sometimes described as a "golden age" of Ile-Ife.
- 60. The reality today is that not all the Yoruba people believe that they have the blood of either Oduduwa or Obatala in them.
- 61. Although they are from that geographic part of the earth as their ancestral land, both Oduduwa and

Obatala are not the source or ancestors of all Yoruba people today.

- 62. The Yoruba people who are about forty million worldwide are about four times more than the people of the United Arab Emirates as at Year 2018.
- 63. Therefore, if they are referred to as a nation, it is worth it.
- 64. But for democracy, those who would continue to rule the nation (Yorubaland) would remain the heirs of Oduduwa and Obatala, despite that all the Yoruba people are not from these two men.
- 65. Can we compare the Ruler-ship patterns of the Almighty God with the Yoruba Ancestors? For both God and these two men installed their children and heirs on their thrones and also recommended their children to go rule a place in their stead. Just as God promised to install Jesus Christ as the eternal King over the earth in the new earth that God Himself is building, and is to come? (Revelation 21:1-3, 5)
- 66. Maybe not!
- 67. Firstly, no man, any creature and absolutely nothing can be compared with God.
- 68. Of the differences, the people who inhabit Yorubaland and claim it as ancestral land are not from the same parent.
- 69. And a big difference is that they did not create the humans as they claim and may not know the desires of humans and can be incapacitated to make unceasing supply for their supposed creatures.

- 70. Unlike God who is the Creator, knowing what humans can ever desire, need or want and having the power and invisible resources to make unceasing supplies available to all creatures.
- 71. Also, God did not migrate into an existing space to find all creatures ready and form his government over them. He created everything; they were not.
- 72. However, the similarity in their patterns is that Oduduwa tends to install his heir on the throne to rule in his stead. This pattern we have seen in God who is to install his only begotten Son, Jesus as King over all the new coming and undying earth.
- 73. Also, all the rulers under the ruler-ship of God are the Sons of God. We shall read more about other Sons of God apart from Jesus.

Juice #3 [An African man once came down from the sky]:

In that era, humans still fought to steal other peoples' land and resources. They annex land, chase the settlers away, pitch their tent and raise their flags on it. Farther away, they push them into thick forests to resettle and restart. Pitifully the people run for their lives at the sound of Invaders' approach. The people who had no potent physical weapons for warfare became vulnerable. But for how long shall they keep running? They have met different fallen angels in the "forbidden forests".

They have continued to learn spiritual arts and weaponry. They continue to make sacrifices to appease the fallen

angels and the Almighty. Their most potent defense and means to resist invaders are now spiritual arts and fortifications. Now, if two men and their entourage shall conquer an inhabited territory; lacking manpower, they need more than weapons, they need wisdom. The first settlers believe so much in spirits and with these two men been vibrant in spiritual arts, they can make the people surrender their territory to them and establish their Kingdom. One of them must find out the spiritual process for a man to come down from the sky mystically.

That act is powerfully wise!

He is better than most world conquerors who spill blood to cease territories. So, in a very impressive and wise way, he descends from the sky with a mystical chain.

He taught the people spiritual arts and wisdom. His ethnic people are one of the wisest people in the world today. But when their wisdom is corrupted by lust and greed, they can be very dubious and unreliable.

Case Study Two: Ruler-ship of Abraham?

Before we read more about the other Sons of God, let us examine a more homogeneous people and nation. Homogeneous because they are from the same parents – Abraham and Sarah. Unlike the children of Oduduwa and Obatala which are not homogeneously the same family. Spiritual emphasis on Isaac of Abraham and Sarah who different from Ishmael of Abram and Sarai.

- 74. After long period of waiting for the promised child, Abraham and Sarah gave birth to Isaac
- 75. And Isaac gave birth to Esau and Jacob.
- 76. Jacob gave birth to twelve sons who, eventually, became the twelve tribes of Israel.
- 77. Did you miss any part in Bible records that Jacob himself was renamed to Israel by God's Angel [a god]?
- 78. And so his off-springs agreed as a nation under the name of Israel.
- 79. This implies that the Israel nation can be called the Jacob nation.
- 80. Esau, the brother of Jacob became a nation called Edom of Edomites and today in 2018, Edom is part of Israel, Jordan and Palestine.

“And as for Ishmael, I have heard you: I will surely bless him; I will make him fruitful and will greatly increase his

- 81. God fulfilled a promise He made in Genesis 17:20 by making rulers come out of Ishmael indeed.
- 82. Most Arab nations in the Middle East came out of Ishmael as God had promised Abraham.
- 83. Jacob, Esau and Ishmael occupy the Middle East of our world?
- 84. Just add a number of former inhabitants –the Canaanites– and the answer might be yes.

“The whole land of Canaan [Middle East], where you now reside as a foreigner, I will give as an everlasting possession to you and your descendants after you; and I will be their God.” Genesis 17:8

- 85. In case you are still in doubt how or why so many nations came out of Abraham, read:

(God) He took him (Abram) outside and said, "Look up at the sky and count the stars--if indeed you can count them." Then he said to him, "So shall your offspring be." Genesis 15:5

I will make you very fruitful; I will make nations of you, and kings will come from you. Genesis 17:6

I will surely bless you and make your descendants as numerous as the stars in the sky and as the sand on the seashore. Your descendants will take possession of the cities of their enemies. Genesis 22:17

I will make your descendants as numerous as the stars in the sky and will give them all these lands, and through [one of] your offspring(s), all nations on earth will be blessed [salvation and blessing]. Genesis 26:4

- 86. Abraham is a good example of how God multiplied one man to become many nations.
- 87. Let us examine Jacob, one of Abraham's grandsons, who had twelve sons and each multiplied to become many people in each tribe having ruler and rulers for each tribe.

- 88. Break the ruler-ship in Israel to Councilors and Governors per tribe and an overall ruler over all tribes. In an undying world, Jacob would be the overall ruler over Israel.
- 89. And Abraham might be recognized as the Supreme Ruler of the entire Middle East.
- 90. In such a scenario, whereby Abraham would be the ruler of rulers in the Middle East, bear in mind that his sons would be in positions of his subordinate rulers. Just like the Yoruba ancestors installing their heirs (sons) as Kings in other Kingdom and to reign after them.
- 91. This similarity of installing one's child on thrones and principalities seems to be a divine practice since God also installs his Sons on thrones.
- 92. To avoid confusing a number of readers having written about Jesus being the only begotten Son of God, it is important to mention that there are other sons of God.
- 93. The created angels have no other Father than God. The Bible shows us where God refers to the angels as his sons.

"I said, 'You are "gods" because you are all sons of the Most High.' Psalm 82:6

One day the sons [angels] of God came to present themselves before the LORD, and Satan also came with them. Job 1:6

On another day the sons (angels) of God came to present themselves before the LORD, and Satan also came with them to present himself before Him. Job 2:1

- 94. Therefore, when God was assigning persons to positions of ruler-ship in the heavens, they are all his sons. Whereby Jesus still remains the only Begotten Son of God [directly formed by God], the Prince of Heaven and about to be given the Ruler-ship of the new coming, and undying earth.
- 95. It must be like family governance where the citizens and rulers are members of the same family of God.
- 96. Having drawn you into the matter of settlers, positions and the office-holders, should we not also talk about the title of the position and the name of the office-holder?
- 97. Is the name of a position or name of a title not different from the actual name of the person in the office?

The Almighty God and the Ruler of all Creatures

- 98. The Almighty God can be referred to as King for being over and in charge of everything that exists in all cosmoses.
- 99. One thing that does not make such a title reference his wholesomeness is one characteristic of Kings for being installed or taking-over.

- 100. The Almighty God did not take-over from anyone and he was not installed, therefore, some persons may feel that the King does not describe the wholesomeness of God.
- 101. How best he titled himself in Exodus 6:3 is "...I, as the God Almighty..." and he did not title himself as King, anyway, but He is the eternal King over all.
- 102. Another title that can best describe him as the overall in-charge of all worlds and their fullness is Ruler, Supreme Ruler of all worlds.

Is it a taboo to refer to God as King?

- 103. It is not a taboo to refer to God as a King
- 104. The fact that God is called by many titles in praise, prayer and in kind, often makes his worshipers refer to him as King.
- 105. However, no one can limit the titles of God to any selection as many people love to use different titles that translate into glory, power or honor to describe God.
- 106. The same time, God can only be God and nothing less is the opinion of many people.
- 107. Some also feel that instead of giving him title in our own description, why do we not better acknowledge him by his name?
- 108. Do not ever forget, we are talking about the Creator of all lives and not just a governor, president or king.

Isaiah 14:12 - 14, Revelation 12:7

Lucifer said to [Fallen] Angel Malphas "join me to cease government from Yahweh and raise my throne above His, then I shall make you my second in command. All the best fighters, including many cherubs, have joined me and we are certainly going to succeed." [Fallen] Angel Malphas fell for Lucifer's vain promise like many humans are falling today by selling their Soul to Satan.

After the war that broke out in Heaven, God could straightly judge Lucifer and his loyalists angels who fought to overthrow Him. But God may be seen as mean, too authoritative and afraid of being replaced knowing that the Angels are very intelligent beings. God delayed the judgment...

God, in His kindness, must prove to the Heavenly Beings that it is in the best interest of all that He would remain the Supreme Ruler forever. **This necessitate the creation of humans** [Adam, then Eve] after creating their world [the battlefield for demons to continue to test their power against God if they can still succeed to return to Heaven and overthrow Yahweh]. Mortal instruments would play sensitive roles in the spiritual warfare until God would finally judge. Many humans would take side with Lucifer like the gog and magog which are vessels carrying demons to destroy vessels carrying the Holy Spirit. Psalm 2:3 exposed a cut-them-out plan.

God is a title and not His name

- 109. Whosoever is crowned King has his own name so that the word King is but a title and not the name.
- 110. Although the Holy Bible reveals that no human numbering system can quantify the number of saved Souls by grace (Revelation 7:9), let us take for example that one trillion Souls make it to the Kingdom of God [in the new coming, and undying earth] as saints.
- 111. And if we divide one trillion using the estimated Egyptian population, as at 2018, at officially ninety-five million people, then we shall have about 10,526 eternal Kings approximately in countries the size of Egypt each in the new coming and undying earth.
- 112. Of course, there will be other positions like Governors or Mayors and Local Government or Neighborhood Rulers.
- 113. This analysis is just an insight that there will be other human Kings in the Kingdom of God whose reign shall be eternal (part of whom the Almighty Spirit has promised King David of Israel that his throne shall be established as King forever, 2Samuel 7:16).
- 114. Because the Kingdom of Heaven on earth is for humans and Angels would not be Kings over us, but regenerated and transfigured humans would rule under the authority and constitution of King Jesus Christ as Jesus shuttles new Heaven and Earth.
- 115. This Kingship above other human kings is the reason for the Almighty God to have confirmed Jesus as the King of all Kings and because there will be

military status too, the Almighty, also, pronounced Jesus as the Lord of all Lords. (Revelation 19:16)

- 116. But do not forget that King is a title of a position and not the real name.
- 117. After the Almighty had made everything glorious, and kingdoms and principalities, even before man was formed, He revealed a Throne of His, so that he directs all the affairs of all creations in all the cosmoses from that Throne.
- 118. The Throne is in the Heaven above, though, God dwells above all Heavens, but His Throne is in Heaven.
- 119. Who else deserves to sit on this Throne and be the LORD over everything in all of the existing cosmos?
- 120. Who should sit down on this God Throne and take the glory for life and existence?

Isaiah 42:8 reads

"I am the LORD (Jehovah); that is my name! I will not yield my glory to another or my praise to idols."

- 121. And because no one else deserves to sit on that Throne than Himself alone because of what He said in Isaiah 43:10 below:

"You are my witnesses," declares the LORD, "and my servant whom I have chosen, so that you may know and believe me and understand that I am he. Before me no god was formed, nor there one after me

- 122. Jehovah then sits on the Throne as God that He is. The Throne did not make Him God, however, it is the Throne of God.

Revelation 4:2 reads as:

"At once I was in the Spirit, and there before me was a throne in heaven with someone sitting on it."

- 123. Bear in mind also that the word God is a description of unfathomable Being and of a position. However, his name is Jehovah, translated from the Hebrew word YAHWEH in the original manuscript as YHWH. Take note of His name, JEHOVAH!
- 124. In addition, there can only be one God, who sits above all things.
- 125. Revelation 4:2 did not happen recently because Jehovah has been God before anything or anyone was. And He has been on the Throne before man was created.
- 126. He has been on the Throne when Jesus and all Angels in Heavens worship him and give him glory as the LORD over everything that exists.

How is Jehovah the Father ruling heaven as family government?

- 127. Despite his unlimited and invincible power, his loving-kindness is towards all his creatures as his own family (Psalm 118:29, Psalm 145:8-13).

His loving-kindness: Give thanks to the LORD, for he is good; his love endures forever. Psalm 118:29

The LORD is gracious and merciful; Slow to anger and great in loving-kindness. The LORD is good to all, And His mercies are over all His works. All Your works shall give thanks to You, O LORD, And Your godly ones shall bless

They shall speak of the glory of Your Kingdom and talk of Your power; To make known to the sons of men Your mighty acts and the glory of the majesty of Your kingdom. Your kingdom is an everlasting kingdom, And Your dominion endures throughout all generations. Psalm 145:8-13

- 128. You can read from above quoted scriptures that God is King above all. He is the true loving Father to all and he referred to, even, his Angels as Sons of God in Psalm 82:6.
- 129. Jehovah the God is gentle, slow to anger, kind, loving, caring and all of the good virtues of life are His delight.
- 130. For eons, it has been one big family of God ruling and living together in the Heavens.
- 131. Although, there may be different kinds of tribes like the Elders, Seraphs, Cherubs and others as ordained in ministries and hierarchies, but they are all one big family of God.
- 132. Everyone in Heaven obeyed the governing laws of God which means no one in Heaven has ever committed any sin which results from rejecting the Godhood of Jehovah or disobeying his governing laws until Lucifer did.
- 133. There is only One Supreme and unopposed Ruler over-all and there are other anointed rulers subject to Him.

IT WAS ONE BIG FAMILY IN THE BEGINNING!

Then, two families with many Tribes

- 134. The struggle for position and status as it is in human reality seems to be a furtherance of some power-hungry spirits that now dwells in humans' world and fueling human greed and lust for power.
- 135. For Jehovah the God is slow to anger and that is why one of His important and powerful ArchAngel who was very close to Him has been sinning from the beginning and God tarries to destroy him.
- 136. The Holy Bible reveals that death is the reward for sin (Romans 6:23), yet the God has not killed this ArchAngel because God wish for him to repent and come back to wisdom. 2Peter 3:9
- 137. But instead of repentance the angel went from sin to rebellion.
- 138. The name of this Arch Angel and the Guardian or Head (Ezekiel 28:16b) of God's Cherub is Lucifer.
- 139. Lucifer continued to disobey the governing laws (1John 3:8) of God in Heaven and practiced malicious acts.
- 140. Then, after Lucifer became extremely comfortable in sinning (disobeying God's governing laws) and raising malice against God, he conceived a new ambition.
- 141. With this ambition, Lucifer will commit more than a forgive-able sin; he was going to call God to a challenge.
- 142. He was going to tell Jehovah that He alone cannot be God forever and that he is a new contender for that

...Throne of God.

- 143. In practice, ideally, if a king is not dead, another one should not emerge. Therefore, Lucifer had determined that Jehovah must die, submit to him or be sent on exile so that he, who is Lucifer, can sit above the Throne of God in Heaven. Isaiah 14:12-14.
- 144. Was Lucifer ever wise to have thought of overthrowing God, his Creator? Were it Lucifer, would he have created a being that will eventually over-power him, overthrow him, subdue and shame him? Was Lucifer not thinking deep through wisdom?
- 145. Well, he was created a wise and intelligent ArchAngel before Ezekiel 28:17.
- 146. He became proud of the wealth of wisdom, power and splendor that God gave him. His heart became over exalted above the will of God and he felt like he no longer needed God or to be under Him.
- 147. Jehovah seems too weak to be his Ruler and Jehovah can either shift or allow that there should be two Gods or he will take the Throne entirely from the Almighty.
- 148. His wisdom was corrupted, first, for his continuous sin and pride.
- 149. The WORD [Jesus] of God came to Prophet Ezekiel in Ezekiel 28:11 and revealed something until verse 19. A scholarly reader of these scriptural verses would claim that God was speaking of the King of Tyre but a seer with discerning Spirit will know that it

is a coded revelation telling us a glimpse about Lucifer and his fall.

- 150. In the same vein, there is a coded revelation in the book of Revelation 12:4, where the word star represents the Angels.
- 151. Through discernment, we understand that Lucifer convinced a large number of Angels in Heaven to join him in his war against God to take the Eternal Throne.
- 152. The scriptures wrote this in plain words that Lucifer, who is now the Dragon and Satan, fought and his Loyal Angels fought with him against the Angels [or Stars] of God, all in Heaven. Revelation 12:7
- 153. Meanwhile, before the war broke out in Heaven, there were already two sides or let's put it as two families.
- 154. The first spiritual family in Heaven at that time was God and His stars [the Stars represent God's Angels] read Isaiah 14:13a.
- 155. And the second spiritual family in Heaven at that time was that of Lucifer [Satan] and his Stars [his Stars are his loyal or supporting Angels].
- 156. The scripture gave us an insight into how large the family of Satan was in Heaven as revealed in Revelation 12:4 that one Angel in every three Angels in Heaven elected to join the family of rebellious Lucifer.
- 157. The number of Angels in Heaven at the time of revealing was thousands {(1000 times 1000) — UNIT 1} of thousands {(another 1000 times 1000) —UNIT 2}

and ten thousand times ten thousand {(10,000 times 10,000) —UNIT 3} as it is written in Revelation 5:11.

- 158. In simple arithmetic, thousands could be “1000” raised to the power of at least 2 or more but let us take the least possibility raising it to the power of 2.
- 159. Then, use the simple linear equation herein to resolve the above parameters (UNIT 1 times UNIT 2) plus (UNIT 3) which equals 1,000,100,000,000.
- 160. This number is the least guess of the two-third of Angels left in Heaven as at Revelation 5:11 when Satan and his Angels were no longer there.
- 161. However, be assured that the number of Angels in Heaven, before and after the division, cannot be numbered by human’s numbering system.
- 162. The wisdom is in Revelation 7:9a which points that human numbering could not number the great multitude.
- 163. This shows that the Thousands in Revelation 5:11 could not be raised to the power of just two.
- 164. This arithmetic also shows that at least seventy-two demons can move with every one of about seven billion people on earth, (world population estimate as at 2018).
- 165. Demons [Fallen Angels] are evil; evil forces, negative forces and unseen forces; they do not work any good. They carry on the anger of being condemned for eternity.
- 166. This also implies that there are at least seventy-two strongholds that guarantee failure in every

human's life. Frustrating all attempts and endeavors to succeed.

- 167. Meanwhile, there are already two spiritual families in Heaven at this time before the creation of mankind and they are those with Jehovah and the others with Lucifer.
- 168. Will Lucifer get the Throne and reward his loyal Angels or would Jehovah still remain on the Throne as God?

Heavenly family became one again, but two families on earth.

- 169. The pride and rebellious ambition of Lucifer had garnered plenty of support in Heaven.
- 170. The good thing in Heaven is that the majority did not elect to join Lucifer's faction unlike on earth.
- 171. Then, malice and wayward underground politics continued in Heaven, where, Lucifer was soliciting support to increase his family members [his support base]
- 172. Eventually, war broke out in Heaven and there was intense fighting until Lucifer and his loyal Angels had exhausted their power against the Armies of Heaven under the command of ArchAngel Michael.
- 173. At the end of the war in Heaven, Lucifer was pushed out into the earth and his loyal Angels fell with him.
- 174. His loyal Angels who fell with him are now referred to as Fallen Angels in humans' word but the

Scriptures call them Demons. The Scriptures also renamed Lucifer as Satan [enemy of God], Devil, Ancient Serpent and Dragon. Revelation 12:7-9

- 175. Meanwhile Eden and/or Garden of Eden are on earth and not in Heaven.
- 176. Neither Adam nor Eve was ever in Heaven or has ever been there. See John 3:13.
- 177. Upon the fall of Satan from Heaven, as he walked through the earth, up and down (Job 1:7), he found the Garden of Eden in the East [Take note that Satan had fallen short of God's glory before the creation of Adam and Eve]. There and then, he went into the Garden to study the creatures in it.
- 178. [Satan spies, studies and draws strategies; he is a creature who values knowledge].
- 179. At that time, the Guardian Cherub with sword of flame was not yet assigned to prevent entry into the garden.
- 180. And because Satan is full of anger to destroy every creature on earth (Revelation 12:12), for him to find a creature like Man with resemblance of God is running him insane.
- 181. Satan, who loves the idea or position of God, must have thought that this is the god of the earth as God has truly made him to be.
- 182. Satan was determined to take the godhood, kingship, ruler-ship and dominion of the earth from the man. Genesis 1:27-28.

- 183. Satan used one of his three most used themes of strategies which is (1) deception or luring among other two which are (2) influence and pressure and (3) force, threat or fierce fight. These entire three most used themes are to make man bow to him and/or follow him. The last stage is always force, a fierce fight with hard challenges or situations in human lives.
- 184. In a nutshell, Eve and Adam were deceived to disobey God's commandment which is part of His governing laws and they became criminals, offenders, outlaws or sinners.
- 185. The man failed to use his wisdom that Satan was actually asking him to choose death since God had warned him that the day he eats the forbidden fruit, he shall die.
- 186. The man believed Satan instead of God!
- 187. Since God and Satan had said two opposite things, one of them must be true and the other, a liar.
- 188. Like the Fallen Angels, Adam and Eve preferred the promise of Satan hoping that Satan can make their lives better.
- 189. The same way many people seek help from the Priests of Satan and Fallen Angels today, hoping they can better their lives.
- 190. For a very short time, Adam and Eve got what they wanted because their eyes became open, but not quickly realizing that they had become Flesh.

- 191. The eyes of their souls, which have the capability to see God and Heavenly Beings, are closed but of their flesh were opened [Transfiguration].
- 192. Adam and Eve gave birth to Soul-in-Flesh like them and with the inherited curse in Genesis 3:14-19 for all their offspring.
- 193. Although Adam and Eve repented and sought many ways to return into the spiritual family of God but they must first rest in Sheol after the first death until the Judgment Day when they and other saved souls shall be reunited fully with God.
- 194. Even their child, Abel, whose heart was upright with God must rest in Sheol.
- 195. The Grace shall enter Sheol but for once, so that as many who shall receive the Gospel shall be redeemed into the spiritual family of God.
- 196. After that one time entry into Sheol, there shall be no more grace in the grave, for it is laid down for all men to die but once, after that is Judgment. Hebrews 9:27. [Yes, there are spiritual arts to bring back the dead through the demons, but it is condemned by God the Almighty. The reincarnated soul can no longer receive salvation because the first death had taken place. Salvation must be received before the first death of any person and those who received the salvation before the first death cannot be reincarnated through knowledge and capabilities of demons – Fallen Angels. Those who are reincarnated are fully aware and regularly visit their graveyard, do not let anyone deceive you that you were reincarnated.]

- 197. Before the Good News of Salvation came to earth, humans were considered part of God's family in their hearts, thoughts, words and deeds.
- 198. They have been marked for salvation so that when the blood is shed and the body is broken, they can lay hold to this ritual of God's only Begotten Son for their ransom away from Satan, even in Sheol. So, Jesus' salvation for just once in Sheol! [Jesus, after his death, went to Sheol –the world of the dead– for three days to preach salvation to the dead and mark the souls who believe in salvation. On the third day, the Spirit of God from Heaven raised him out of the dead back to life. When a person dies, the body decays but the soul goes to Sheol to await the Judgment Day of God. Another place the souls are trapped after death beside Hell is in the Seas as for those who died in waters and the souls of the disciples of Jesus who are murdered because of him are under the altar of God until the Judgment Day. All the dead are in these three places - Revelation 20:13, Revelation 6:9].
- 199. As many who received the Son of God are given power to become children [family] of God. John 1:12, 1 Corinthians 15:4
- 200. Now, there are two spiritual families on earth.
- 201. One of the families is Satan's, where all his Fallen Angels and all un-saved humans belong. All humans are naturally part of Satan's spiritual family because he had enslaved Adam and Eve from the Garden of Eden and all their children have legally become his

natural inheritance, except those humans who reject him and opt for God's family.

- 202. The second spiritual family on earth are those that receive the forgiveness and salvation of God through Jesus before and after the first appearance of Jesus Christ on earth.
- 203. The humans redeemed from Satan's ownership through the salvation of God are now part of God's spiritual family on earth.
- 204. On earth, only humans can still become part of God's family because Satan and demons can never again. Their eternal damnation and irreversible judgment by God led to their wrath against humanity; determined to drag all souls into the fire along with them even when they pose as humans' helpers.

Whatever thing, whosoever, any god, idol or ancestor that you fellowship with or worship that is not [directly] the Almighty God places you in the family of Satan. Under the Divine Order, only God must be worshiped.

Under the same order, humans can fellowship with God within the atmosphere of the Holy Ghost in the name of Jesus Christ.

Nehemiah 9:6, Revelation 22:8-9, John 14:6.

CHAPTER NINETEEN

Most Humans Belong to Satan; See the Spiritual Family Identifiers

[This chapter shows the most common traits that categorize humans into one of the two spiritual families, whether consciously or unconsciously. And also highlights what takes many people into the spiritual family of Satan and demons]

- 1. Since Satan conquered Adam and Eve and took the ownership of their lives and their seeds away from God, he became their father.
- 2. No wonder Jesus said to the un-saved people that “...you belong to your father, the devil and you carry out your father’s desire [as Lucifer and demons spirits inspire and motivate them]... John 8:44”.
- 3. Every family has a father and Jesus confirmed in the above verse that Satan is the father in his own family, where demons and unrepentant humans belong.
- 4. However, in the spiritual family where Jesus and Heavenly Angels belong, Jehovah God is the one and only Father. John 20:17.
- 5. The litmus tests for which spiritual family anyone may belong to is written all over the Holy Bible.
- 6. Only to discuss three major spiritual family identifiers in this work. These three spiritual family identifiers include (1) Holiness/Sinfulness [which means either keeping God’s governing laws or rejecting them], (2) Worshipping who or what and

your choice Spiritual Fellowship (3) The choice of source for help or backup power to fulfill your desire.

- 7. For information, the two spiritual families cannot stay together or move along together in agreement because one of the Fathers of the spiritual families is a Jealous God.
- 8. However, more than one tribe of the same spiritual family can easily agree and get along.
- 9. Sin is (1) the transgression of God's commandments, (2) disobedience to "Thus says the LORD" in the Holy Bible or through His genuine ministers, (3) rebel or persecution of God's statutes and anywhere or in anyone He puts His name, and (4) immoralities in thoughts, words and actions.
- 10. Those who run away from sin are seeking holiness while those who despise holiness are deepening in sin.
- 11. No one can love both sin and holiness!
- 12. Those who love Jehovah and recognize Him as the Head of their spiritual family demonstrate their submission by obeying the governing laws of the family.
- 13. It is a very clear and simple representation that those who keep the governing laws of the Government of God are keeping themselves holy and those who reject the governing laws of God are sinners and belong to the spiritual families of Satan.
- 14. They prefer to keep the governing laws of Satan because, yes, Satan also has his own spiritual or governing laws.

- 15. Lucifer had enslaved humans, through Adam and Eve, and they cannot naturally keep the governing laws of God because they do not have His Spirit in them.
- 16. No matter how hard they try, they will feel morally enslaved and would not be comfortable that holiness is a way of life.
- 17. Whoever disobeys the Ten Commandments (Exodus 20:3-17) commits sin and whoever does not meditate in the Word of God (Joshua 1:8) is not ready to find prosperity principles in God's spiritual family. Discover God's principles for success in the Holy Scripture!
- 18. Whoever does not keep "Thus says the LORD" or "I am the LORD" in the Holy Bible or through His genuine ministers in the church today commits sin.
- 19. Genuine Ministers of God? Pray for a discerning spirit from God and be sensitive in the spirit. The simple guide is that we shall know them [whether genuine or false ministers of God] through their fruits and the kind of their "Thus says the LORD"
- 20. Disobeying "Thus says the LORD" is sin because when the Father and Head of the family speak, the supposed-child and family member reject or neglect it.
- 21. Whichever minister of God in today's church that says "Thus says the LORD" when the LORD has not spoken commits a grievous sin because he or she lied against God the Father. An abomination!

- 22. You are also to discern whether the minister's message is scriptural.
- 23. In spiritual realities, those who sin belong to the spiritual family of Satan. 1John 3:8.
- 24. Since Satan and his Fallen Angels were thrown down to humans' world, they continued in the tribes which they used to be in Heaven.
- 25. Some of them were Angels of light, thunder, fire, metal bodies, treasures, wisdom, warfare, waters, love and many others.
- 26. There is no Angel without special ability or power and they can control a wide range of elements, objects, activities and situations.
- 27. Angels are very powerful beings and so powerful that just one Angel can transform into a large water.
- 28. Like every other being that God created, each Angel has their power limited to certain measures as given.
- 29. Since the Demons fell with Satan from Heaven, the purity of their ability and power became corrupt. [Now in an impure state.]
- 30. This is why the Angel that had power over true love before the fall can now control lust, infatuation and unholy, unconscious or spell-love.
- 31. And indeed, some Fallen Angels have power over the seas, metal, thunder, rain, warfare and so on.
- 32. Except God or His Heavenly subjects suspend or override the powers of the Fallen Angels, nothing can stop them from continuing to amaze humans with signs and wonders.

- 33. Because those things that they are capable of doing are things that ordinary humans cannot do and they are wonders worth beholding.
- 34. That is why, since history, humans like to go watch magic shows.
- 35. In essence, the Fallen Angels and Satan are present in humans' world and they have the capabilities to win the hearts of humans over with amazement and surprises.
- 36. Many of the (Fallen Angels) Demons have become idols that humans worship since history till today.
- 37. And because they have capability and power to make things happen in diverse ways from one spiritual tribe to another, the people keep exercising faith in them.
- 38. The people worship and connect with them using their principal elements.
- 39. One example is the "god of Iron or Metal" called "Ogun" in Yorubaland; it is worshipped through the assemblage of metal objects and performing certain spiritual rites.
- 40. Yemoja, Poseidon and Mermaid are other examples of marine Fallen Angels who also have power over treasure, desire, lust and emotions among other capabilities.
- 41. Marine and air spirits are also one of the strongest tribes among Satan's spiritual family when it comes to warfare.

[Slimming] Juice #4 [many people of God are lazy and expects everyday miracle like manna]:

Suppose a child is sick in Africa and suffering from either epilepsy or insanity. Certainly, it would be a sad thing for the child and family. Seeking a solution would be one of their priorities. In the Western part of the world the hospitals may help but in Africa, it may be challenging. The challenge from African hospitals, particularly in Nigeria, include that the health workers have a penchant to professionally extort the patients and may tactically increase the health issues by diagnosis due to greed for more money. Other factors greatly increase the overhead cost of access to medical healthcare by the many politically-made poor Africans.

Now, this may be a shocking inside story that, particularly, in South-Western Nigeria and similar to as in some parts of India, many health-workers [Doctors, Nurses and others] are occult members in whose hands, patients' lives are not actually safe but under potential ritual threats. The exploitative diagnosis, expensive treatments of the diagnosis and threat of rituals by the occult health-workers are strong fears of many Nigerians who would prefer to stay-off Nigerian hospitals. Church lovers may seek miracles instead.

Miracle [for healing and other things], on the other hand, does not happen all the time because it is not like staple food. Experienced teachers of God's way know that

miracles happen for certain reasons like for physical and spiritual salvation, conviction, mercy, grace or proof of God's love among others, but it does not happen all the time. Miracle is not cheap to command because it happens at God's sole discretion. The only few who compelled God for miracles in the Holy Bible times were those who lobbied in prayers [behind the scenes prayers] and exhibited great faith in God. Many ministers of God who do not know that God does miracles at His own discretion had sought help from Lucifer to ensure that they can certainly perform a miracle even when God sees no reason to perform one.

Miracle is not a daily bread! God has ordained a due process for all things to happen, from the planting of seed and the time it takes to grow and bear fruits. Therefore, to plant a seed and eat the fruits from the tree it becomes in just one day is either a miracle or magic [God's own is called miracle while Lucifer's and his Fallen Angels' is called magic]. When a miracle happens, God has shortened or completely removed the role of required matter, the process and time to create the reality. [Example of required matter is a seed for the tree or medicines for the sick. Required matter to create a reality can also be tangible or intangible]. Although God can heal the child from epilepsy or insanity and that would be called a miracle because the healing happened supernaturally. Whereas, such a thing can still be done naturally using the knowledge of what God had already

created for human use for such a purpose. But what if God would not do it [supernatural healing]? What would be the fate of the sick and their people?

Should God's ministers continue to pray for a miracle for the sick for too many days without any health improvements or send the sick back to the hospital? Nigerian health professionals who believe in the culture of voodoo and charms are fond of recommending the sick to go for traditional orthodox care after a long time of no medical improvement. This is where the Priests of Fallen Angels thrive! Using oracle and divination, they interpret the sickness from spiritual prism and recommend appeasing the Fallen Angels or even getting into a covenant with the Fallen Angels. Then, they put together the required objects of herbs and roots, make incantations and treat the sick with the concoctions they have made from herbs and nature. Many times, the sick get healed, though the imported Western hospital could not help, but Nigerian orthodox did. This is the culture over there!

Therefore, what is wrong in patronizing the Fallen Angels if they could reveal through the oracle and divination, what herbs and roots to use to treat the sick or blood to use and a process for money rituals? The wrong thing remains the fact that the Fallen Angels are enemies of God and the human race and they shall still destroy people they helped using the help they offered. The herbs and roots they revealed were all created by God and only left for

humans to search it out. Whatever and all that mankind would ever need to live were created before mankind [Adam and Eve]. Humans are not supposed to be in friendship, communication or covenant with Fallen Angels if they want to remain God's delight and children. Humans with God's backing are too powerful to beg [sacrifices to appease] Lucifer and Fallen Angels [Demons] before they can live healthy, peaceful or successful lives. The Holy Bible Book of James 4:7 reads "Then, submit yourselves [and your WILL] to God. Resist the Devil and he will flee from you."

What stops the children of God from researching these natural means of healing? Certainly, without incantations [appraising and invoking the fallen spirits], the herbs would work. There is a social and Christian-religion stigma on people who make use of herbs and roots to heal others as demonic but are these healers not saving lives? Should the dying wait for miracles from an under-developed minister of God or go to the priests of fallen angels even if they have to bow to the idols?

Why can the ministers of God not learn or encourage the use of herbs in the way of light? Why can African mega churches not take the forefront to explore healing with herbs and roots knowing that it is a certain means the cultured people use to regain good health? If the African Christians ask the sick not to patronize the Priests of Fallen Angels, is it not expected to give them an

alternative that the Almighty God approves? Nigerian and African Churches should intentionally make disciples of many herbalists for Jesus Christ!

Kudos to Western and Eastern Researchers because God is interested in research. Africans should embrace scientific approach instead of the occultist approach; compile and share their orthodox solution data scientifically with the world. Researchers are Kings according to the Holy Bible Book of Proverbs 25:2 which reads “it is the glory of God to hide a thing, to search out the thing is the glory of kings”.

- 42. These Demons are maintaining relationship with humans who are not realizing it, through their elements such as rings, amulet, magical protections, idol festivals, divination, appeasement sacrifices, incisions, fortifications, concoctions, going to celebrate magic shows and unholy places or shrines, and others.
- 43. The truth is that the idols and traditional spirits or religions are real and have their own capabilities and powers.
- 44. Let the people understand the entire story in brief and let them choose whether the side of God or Satan and Fallen Angels. It is important to stop lying to people in an attempt to protect them from the realities of Satan, demons and their capabilities.

- 45. Lying to people in order to protect them from the truth is a deliberate evil act because truth cannot be hidden forever. When the truth sprouts, you will be seen as evil.
- 46. Mankind lost power to rule their world since Eden times and being under curse cannot easily achieve his desires and reach greatness.
- 47. Thank God for His grace which He made sufficient for us through Jesus Christ to relax the curse in the Garden of Eden.
- 48. We must emphasize greatly on the word desire because it is more powerful than it sounds.
- 49. Human desire is a burning fire and if the owner would not contain and tame it with patience, it can break into uncontrollable fire to consume the conceive-r and as many victims as are dependent on him or her.

“As many victims”?

The victims result from the fact that human destinies are interdependent and connected like a network of electricity and if there is a broken cable, electricity flow to some parts of the network will be stopped. The destinies in areas of unsupplied electric current will struggle and have hard times trying to reconnect with another person's [giant] destiny to survive or grow in life.

- 50. Human desire hates the role of time because every passing hour is translated as delay and increases frustrations.
- 51. Many powerful emotions surround human desire which include the fear and anxiety that the desire may not happen.
- 52. This fear and counter fear to make it happen, at all cost, usually lead many into rash and ungodly steps.
- 53. Impatience is another strong feeling that surrounds human desire which is the strong expectation or feeling that the desire should happen right now.
- 54. Human desires such thing as marriage, child, job or source of income, wealth and quick prosperity, health, protection, position, power and status or relevance, fame and lots of purposeful or purpose-less money and others.
- 55. As parents do not give everything their children ask for in order to train them with discipline or to protect the child.
- 56. Also, God does not grant all the prayer requests of His children with an immediate “YES”. Although, the ‘YES’ may come at a time when God considers that it is ripe.
- 57. Despite the number of times that Apostle Paul went to God in deep and long season prayers, he did not return with a “YES” but with “My grace is sufficient for you”.
- 58. Those who pray and ask God for money may be

asking indirectly for a poison and God will not give them the poison because God knows better.

- 59. However, because human desire that is not subdued under the knowledge of Christ (2Corinthians 10:5) and under the influence of the Holy Spirit [the WILL of God] is a consuming fire, many humans make the wrong turn and seek help, backup or power to make their desire a reality from Satan's family.
- 60. This is a key spiritual family identifier or indicator! From who and where do you seek help, backup or power for your desires?
- 61. The Demons and Satan have the capability and power to grant all of the desires of mankind except for salvation.
- 62. Also, the people will pay a regrettable price to Satan and would not enjoy the benefit for a long time before sudden withdrawal of the benefit or even death.
- 63. Those who assume that they belong to God's spiritual family but look into Satan's spiritual family for help when God delays, do not truly belong to God but Satan.
- 64. This, also, is a key spiritual family identifier. God's people's desires should not be a rush or a do-or-die.
- 65. Just like Adam and Eve believed Lucifer could make their life better by listening to him and believing his recommendation to eat the forbidden fruit, what similarity is there about humans today?

The popular spiritual family on earth

- 66. On earth, one spiritual family spreads over the other before the Great Flood
- 67. Post Garden of Eden, Adam and Eve gave birth to Cain and his twin sister, Abel and his twin sister, Seth and other children.
- 68. Cain married his own twin sister and Seth married Abel's twin sister because Abel was already murdered by Cain. And other children of Adam and Eve all multiplied.
- 69. Has it not been proven earlier that the demons are too many than the humans of today, not to talk of the few humans at the time of Adam?
- 70. These demons continue to influence, inspire and encourage certain people to live immoral lives till today.
- 71. The kind of living that would make the Spirit of God depart from them so that the demons can have their way.
- 72. And because it has become so easy for Satan and demons to control the spirit of flesh in mankind since the caging of the soul, ungodliness multiplied.
- 73. Then, the demons and some Angels who misplaced their position in Heaven had intercourse with mankind and gave birth to a mix of human and spirit.
- 74. This kind of humans have potential to communicate with spirits which are not in order of God; such flesh with spiritual capabilities.

- 75. There are also occurrences where spirits (Fallen Angels) appear to certain people whose lives attract them and choose them as priests.
- 76. For example, in Yoruba religion and African idol history, there are certain hunters who meet with spirits in the forests, where the spirit asks their element to be taken home and worshiped as an idol.
- 77. This usually comes with a promise for the hunter or the priest.
- 78. What about Baal in the Holy Bible, how was it able to elect its priests among the people from the first ever priest? Read 2 Kings 10:19, Jeremiah 2:8
- 79. In diverse ways, many priests of Fallen Angels began to emerge before and until the time of Noah.
- 80. Many things became abnormal in the world like giants, half-human and half-spirit, injustice, wickedness, so many priests of Fallen Angels that have become idols.
- 81. These priests of the Fallen Angels help to spread idolatry in the world. They truly hear the spirits (Fallen Angels) and continue to mediate between the people who keep faith in them and the Fallen Angels.
- 82. Every idol that is being worshiped has one or more Fallen Angel(s) attached to it.
- 83. Every idol is capable of doing one thing or the other. They are not powerless but powerful; however, when God's people want to mock them, they call them powerless.

- 84. This is because despite their enormous powers, when the Divine steps in, they become shamefully powerless.
- 85. If God hid Himself for humans, we would realize how powerful and destructive the demons can be.
- 86. Then, through sin, immoralities, ungodliness, idolatry, divination and unholy spiritism; the spiritual family of Satan spread over the earth.
- 87. The earth became a place of plenty of evil. All unclean spirits have their feasts with joy on earth and continue to blaspheme God.
- 88. The humans became very sinful and totally unacceptable unto God. The humans in their largest number took side with Satan and became part of his spiritual family before the flood.
- 89. They left God and forsook His ways; they provoked God to jealousy and anger.
- 90. Why did the humans on earth before the Great Flood reject God and join the spiritual family of Satan? What are the means they used to join the spiritual family of Satan?

The reasons spiritual family of Satan is always increasing

- 91. Did God not form all the scientific laws? And if any of the scientific laws is not duly observed, would scientists get the desired result? Of course, these scientific laws can also be called the rules of nature.

- 92. Earthly rules and scientific laws show that no one should walk on top of the sea if she does not want to sink. No one should grab a naked electric wire with power-on if he does not want to die of electrocution. These natural or scientific laws can be non-negotiable.
- 93. The same God who created natural and scientific laws also has His own laws for the people to get what they want from Heaven. If due requirements are fulfilled, there would be a result handed over to them from the God Almighty from the above.
- 94. The laws of God or the requirements for which the inhabitants of the earth can receive anything from Heaven are called God's Principles or Kingdom Principles.
- 95. Some categories of world people joined the Satan spiritual family because they need help indeed to achieve their desire. And being unable to know or fulfill the simple requirements of God to receive help, they patronize the practices of Satan and demons.
- 96. They desire such things as wealth, power, position, child-bearing, prosperity and all kinds of blessing. Blessing kinds are a common reason for many people to join the spiritual family of Satan.
- 97. The means of joining is seeking help from the shrines of the Fallen Angels. Receiving spiritual help from powerful but ungodly people. Playing their cards to get what they want against the governing rules or principles of God.

- 98. This first category of people joins Satan's spiritual family to better their own lives. They do not aim evil at any human but whoever suffers for their blessing is none of their business, even if the person is innocent.
- 99. Some of the people in this category may even require that they want harmless voodoo so that no evil is done against any other person. But, the fact is that, they sought and received help from the spiritual family of Satan, they have become part of them. 2 Corinthians 6:14
- 100. No one can bless him or herself because everyone needs a higher power or someone who possesses the resources to release the blessing.
- 101. That is why an ordinary citizen may look up to the Head of the Nation for a particular kind of blessing he could not bless himself with. Everyone also needs help because no one is self-sufficient or all-sufficient.
- 102. This is why God sets different procedures or principles for inhabitants of the earth to receive blessing from Him because He knows that they do not have it all. These procedures-to-get are part of the Kingdom Principles.
- 103. A popular example is in Psalms 24:4-5 and this is a sure Kingdom Principle to receive blessing from God.
- 104. There is another principle after the Ten Commandments; all of Exodus 20:1-23 are prerequisites for Exodus 20:24. So that after you have carefully observed the Ten Commandments, you can

take good gifts to the House of God and receive the blessing from Him. [God's blessing is not certain to be given because of prayer but prayer and your gifts to God through His ministers or anywhere He puts His name through Jesus. More so, it is important to walk your prayer like walking your talks because after Esther prayed in the Book of Esther, she positioned herself strategically where the King could see her. She did not wait in her room until the King would send for her as an answered prayer.]

- 105. There is another conditional principle in Deuteronomy 28:1. And all of them seem to point at living under the governing rules of God [obeying His commands], giving to God's name and the needy from your sweat, showing love and helping others while being hard-working and seeking God's presence. Then ask through prayer using the name of Jesus for blessing from the Almighty God and He would bless you from His Heaven through invisible spirit, humans or situations.
- 106. The procedures to observe in order to receive blessing from God became a neglect by the people before the Great Flood who did not keep the Kingdom Principles.
- 107. Many of them do not even seek to know God or His Principles. Some earlier generations who should pass down and instill the knowledge of God and His principles through generations failed. So the knowledge handing-over did not happen because

Satan and demons used fellow humans and situations to break the transfer of knowledge of light to next generations. [They have said, what we shall do is to break their chains of knowledge transfer from one generation to another and cut the shackles of the un-bowing souls out of our all-encompassing universal system. Psalm 2:3, 1-3. Remove the Holy Bible or its references from school curriculum, frustrate churches who are conservative, enact antichrist laws, ban public evangelism and teaching of the gospel, make the people to ask from their state government instead of asking from God, trust your constitution than God and science than the Holy Bible and several other ways are employed by human rulers to cut the chains connecting generational knowledge of light. Meanwhile, thank God for human science but we must admit its limit in issues of life.]

- 108. Eye-service is not enough to receive blessing from God but genuineness of heart. This category of people, who strongly desire one or more form(s) of blessing in life and cannot keep the commandments of God, walked away from God and joined the spiritual family of Satan.
- 109. Some of them do bring offerings to God's Temple after receiving the help from Satan's spiritual family thinking that they can bribe God with abominable offerings.
- 110. The second reason for another category of people who join the spiritual family of Satan is wickedness. [The first category was for a particular kind of blessing for a better and happier life.]

- 111. Unlike the first reason for people who go into a relationship with Fallen Angels in order to better their lives.
- 112. Some people, having failed or become frustrated in life, are all out to stop everyone from succeeding or celebrating.
- 113. It is a natural tendency for humans not to wish that anyone should out-perform them or deliver greater results and impact than them.
- 114. Even politicians, if not put in check, would not allow their successor to do more than them so that their name can still be relevant in the polity as the best ever.
- 115. It is wickedness to undermine another person's shine because you cannot stay ahead of them.
- 116. There is a high tendency of wickedness in all humans except the people that the Holy Spirit has regenerated.
- 117. In family clans, particularly in African polygamous families, you will find in realities that certain women will want to ritually take the luck of the other wives' children for their own. Some people will not want another person to get married before them or succeed ahead of them and would do anything to undermine or block the flow.
- 118. Bully is another form of wickedness that started naturally from elementary school where others find so much happiness in what makes their colleagues cry badly.

- 119. The examples of common wickedness in everyday life in society can be endless. Every natural man has the high tendency of wickedness! Genesis 6:5
- 120. Now, away from child's play, some people have taken wickedness to another level. They are now focused on being wicked as if it were their calling or destiny [Villain].
- 121. The most popular Tribe of Satan's spiritual family known for wickedness is witchcraft or the witches.
- 122. The people with witchcraft do not necessarily fly at night, but every wicked person has the spirit of witchcraft in their heart.
- 123. The wicked person or witch will not think of the benefit they have enjoyed from their targets in the past before hurting them.
- 124. This is the second reason that makes people join the spiritual family of Satan –their interest in wickedness!
- 125. Again, it is not that everyone in this category joins the witches but all of them in this category aim for wickedness and need power or help to achieve it knowing that God does not back wickedness!
- 126. Humans do offend each other regularly because we are beings of emotions and we can easily offend each other daily (Matthew 6:12).
- 127. If humans had no emotional realm or faculty, there will never be any time when they will offend each other. Never!

- 128. Have you ever seen machines or computers fighting against each other at their own will?
- 129. But because humans have emotions, it is a common thing to offend each other and expected to resolve it. But some people will prefer to inflict suffering on their offender in order to feel satisfaction or to prove a point.
- 130. Therefore, they will consult Satan's spiritual family because they know that God will not empower them to do evil.
- 131. Some people also inherited some demonic powers from their ancestors and they are willing to give it to as many people as possible at free of cost so that the people can use it for wickedness.
- 132. Some people find a lot of happiness in doing wicked things against others. If you break the cup of some people, they will smile and tell you it is nothing; however they wish, they break your liver or heart and watch you suffer till death.
- 133. Some people, having been continuously offended by others, would be looking for where to get spiritual power to deal with people themselves without waiting for God's judgment which seems misrepresented as karma. Psalm 94:1, Romans 12:19.
- 134. The wicked people do not need God to judge or fight for them because God is slow to anger; they prefer to judge for themselves and inflict the most disastrous suffering on the people with powers from Satan's spiritual family.

- 135. For receiving powers from Satan's spiritual family makes them members of that family.
- 136. There is a third reason and means of being in the spiritual family of Satan
- 137. Many people were born into different religious practices and faiths. It is not their fault that they were born, raised and trained in idolatry or religions that are not of the True God. [But it is their fault if they die in a false religion.]
- 138. No one in false religion is a member of the spiritual family of God.
- 139. Imagine that we are in a very big compound with different rooms in the compound. And it is said that whoever and everyone found in the red-colored room belongs to God.
- 140. Then, let us say a man who is suffering from color blindness came into the compound. By searching and asking people around where the red room is may earn him the correct or wrong answer or description. Those who described the wrong room for the man suffering color blindness may do so for two possible reasons.
- 141. One of the reasons may be that they are working for their father [Satan] and the second reason is that they may already be deceived themselves.
- 142. But if the owner of the compound comes, he shall go into the red room and collect everyone in there like a harvest. Revelation 14:15-16
- 143. Though the man with color blindness and many others like him were searching for the red room but

they ended up in the wrong one. They also taught their children to continue in the wrong room and they believe that the owner of the compound will give them eternal life in the new paradise when He comes.

- 144. No matter how right their hearts are, if they are not in the red room, they cannot be harvested for eternal life. (Revelation 20:15)
- 145. The scripture cannot be broken; it is an established principle (John 10:35b). The red room represents the true and the only path, the only way to God Almighty.
- 146. The true and the only way is Jesus Christ and his teachings of how to gain eternal life. The compound represents this earth which is filled with different and so many rooms. The rooms represent religions and spiritual faiths in this world.
- 147. The man suffering color blindness should have prayed to God to guide him instead of trusting all that the religious people are saying.
- 148. Every other religion on earth was formed by man until Jesus came to show us and lead us in the way to Almighty God.
- 149. Jesus did not establish any religion, not even Christianity as a religion; he established the church.
- 150. Who is worthy to show the humans on earth the way to God? Only the One who came down from Heaven, who is Jesus Christ, can lead us to God who is in Heaven. John 3:13, John 14:6.

- 151. Many humans on earth are not in God's spiritual family, although they think in their hearts that they belong to God's family.
- 152. Jesus said that there is no other way to God except through him. People in false religions are not part of the spiritual family of God.
- 153. Again, the scripture cannot be broken in relation to John 14:6. It does not matter whether the religion practices idolatry or not, as long as Jesus Christ is not the way to God in the religion, it is not a true way to God.
- 154. It is those who believe in Jesus Christ, who received him, his mission on earth and his teachings of born-again, baptism, love, holiness, giving and other teachings, that are given powers to be children of God.
- 155. Remember that children are members of the family. John 1:14. Those who do not believe or receive Jesus Christ are not members of the family of God and are condemned no matter their good works on earth. John 3:18, Revelation 5:9.
- 156. People who are not members of the spiritual family of God through Jesus Christ are against Him and Satan would claim them. Matthew 12:30, Titus 3:5, Romans 5:9.
- 157. People become part of the spiritual family of Satan through religious ignorance, being born into false religion or deceived to join false religion. Jesus said If you are not for me [in my family], then you are

against me. Matthew 12:30.

- 158. Hereunder are 7 fundamental factors that “accept or believe in Jesus means”, believe in and accept: (1) His divinity, (2) His mission, (3) His teachings, (4) His death and resurrection, (5) His blood, (6) His name and (7) His second coming.
- 159. There is another reason why Satan spiritual family is increasing
- 160. Since the fall of humans, mankind finds keeping the law of God very difficult.
- 161. But when they go to Satan and find out about the satanic laws or commandments, they would realize how evil and uncomfortable the laws of Satan are. The danger is that they get to know the satanic laws too late.
- 162. God’s laws are always there in the open but Satan’s laws are always hidden in the dark realms until people become committed to Satanism before they would be told the dos and don’ts.
- 163. Satan reveals his laws when he is sure of acquiring the sinner and too late to run back.
- 164. The fourth reason that labels people as family of Satan is when they live sinful lives.
- 165. Satan and the Fallen Spirits live very immoral and sinful lives. Sinners also belong to the spiritual family of Satan because Satan is the father of sinners. The Holy Bible says that Satan sins [violates God’s governing laws] from the eons, even, before time was. 1John 3:8.

- 166. Sin is a divine language and its earthly equivalent or description is an offence under governing law. Therefore, sin is the transgression of God's commandment which makes one deepen in immoralities in thoughts, words and actions. Disobedience to the governing laws of the government of God is sin.

Governing laws of God

- 167. Worthy understanding here is that many people in the world continue to sin against God because they do not even know the commands or governing laws of God. In the end, there is no ignorance in the court of law. The Holy Bible reveals that every human will stand before the Throne of Judgment. Revelation 20:12
- 168. To deny the Fallen Spirits and take side with God, you need to study, at heart, all the verses in the book of John chapter 3 and take a step towards genuine salvation.
- 169. The commands of God are very easy and beneficial to humanity and their living. What stops us from obeying the commands most times are false belief, religion arrogance, faith-phobia, indecision and or lack of discipline.
- 170. Every human should decide for God their Creator because when this world shall end, both the living and the dead of humans shall be judged. There are only two destinations as eternal dwelling places which are

... Paradise of God and Lake of Fire.

- 171. The Holy Spirit can help anyone to be able to obey God's commandments easily. The Holy Spirit can help you change your way of life into what is pleasing to God.
- 172. Then, humans would realize that God's laws are jewels they should wear around. Psalm 119 is full of appraisals for the laws of God. Many people walk away from God's spiritual family because they cannot keep His laws and they continue to sin. The Holy Spirit could have helped them to overcome sin if they prayed for it. This is another major reason that makes people walk away from God.

CHAPTER TWENTY

The Second Preservation of Humans after the First Creation is a Spiritual Re-Birth by God's Spirit

[This chapter briefly examines how Satanic spirituality spread in the world again after the flood of Noah and how God decided to restart the world, but this restart is more spiritual than what meets the eyes. This chapter also shows a simple step to convoke the Spirit of God.]

- 1. Just as one spiritual family spreads over the other before the flood, the same spiritual family spreads over the other after the Great Flood again.
- 2. Humans at that time do not care to find out the governing laws of God. Those who know what is good and right to do, also, failed to do them. The world became corrupt and glorifies Satanism in all ways which irritates God.
- 3. Those who find it difficult to keep God's governing laws indulge themselves in all sinful practices to satisfy their flesh.
- 4. The lust of the flesh, lust of the eyes and pride of life was the order of the day.
- 5. Other regrettable reasons for neglecting God also played their roles.
- 6. Reasons like the desperation of people to get their burning desire fulfilled outside the help and power of God.
- 7. This kind of people who have continued to rouse God to anger and jealousy; how can they receive

blessing from God?

- 8. Therefore, they walk away from God and continue to patronize the priests of the Fallen Angels. Some even use immoral and abominable means to get what they desire. Genesis 6:1-18
- 9. Some other sets of people before the Great Flood also got busy with practicing wickedness. They are so delighted in wickedness that it is the only activity that brings them happiness.
- 10. Have you ever imagined a city without moral laws, no law enforcement and no state leader with moral rules? That is what the earth turned into at that time!
- 11. Satan and his family had their free ride and the world was a total shame. The earth was filled with violence because Satan was in charge.
- 12. Injustice, oppression, survival of the fittest for evil, robbery, assassination, terrorism and more are few examples of violence. Genesis 6:13. Violence!
- 13. In turn, the number of humans in the family of Satan dominated the number of humans in the family of God on earth.
- 14. In the entire earth, it was only the family of Noah and his in-laws that were left for God.
- 15. Then, the Great Flood came and thereafter began the First Preservation of humans outside the Garden of Eden. Genesis 7:10-12, then Genesis 7: 17-24.

Three major Divine Warnings in human history

Warning to enter the Ark of Noah before the Flood.

Warning to leave Sodom and Gomorrah before it burnt with fire

Current Evangelists' warning to choose the right side before God's Judgment Day

- 16. After the Great Flood and because spirits do not die, the Fallen Angels resumed their activities with the descendants of Noah.
- 17. Spirits do not die because that is how God formed them, though, God can completely destroy them if He chooses to. It is just a divine order for spirits not to die. However, God has vowed to throw the spirits who rebelled in eternal lake of fire for torment.
- 18. The same ungodliness that happened before the Great Flood happened after it. It was so bad that there was no one God can call His Own.
- 19. The earth was filled with sin, unholy spirituality and Satanism. The earth was filled with idolatry so much that God had to call Abram out of his idolatry which he joined through Terah, his father.
- 20. There are people desiring to live a moral life at that time and they are those who want to live rightly, but they also fell into the satanic trap of idolatry.
- 21. For example, Yoruba culture is filled with a lot of wisdom and moral practices. The Yoruba's Omoluabi culture is so rich in moral teachings and so close to Godliness. But, the Yorubas also fall deeply into the trap of idolatry.
- 22. Satan's spiritual family is still winning with a number of humans because idol worshipers belong to him.
- 23. The Second Preservation of Humans [but this is for preservation of souls] after the Great Flood is, therefore, underway. This second preservation is for

spiritual salvation and redemption unlike the first preservation after the flood.

- 24. The first preservation after the flood was only physical salvation and preservation of life to continue on earth. The second preservation is spiritual and for mankind to live beyond this earth.
- 25. God made a covenant with humans through Noah just after the Great Flood that He will never again cut off all life on earth from the waters of flood. Read Genesis 9:7-17.
- 26. Key persons in this divine human history of beginning and preservation include Adam, Noah and Abraham [for all humans]. Be clear!
- 27. After the flood, different nations and languages on earth have emerged and many of the nations are in constant disagreement with each other.
- 28. How nations, peoples and tongues emerged out of Noah's fellow survivalists [family]?
- 29. The same way Adam and Eve multiplied and intermarried in what is now called incest is how Noah and the survivalist continued to multiply.
- 30. Those days God had not commanded any law against incest. The laws can now be found in Leviticus 18:7-18 and 20:11-21 [until there is a law, there is no sin, therefore, incest was not a sin at that time].
- 31. They continued to live together and migrate together, wandering the earth and unwilling to scatter and spread.

- 32. One day, when they had become so many people. They were inspired to unite and exercise great faith about one thing.
- 33. God saw their unity, faith and determination and because God knows that the combination of faith and determination is unstoppable, especially, when unity is in play, God moved to stop them.
- 34. God is not against the three intangible emotions that were in play neither was He against their desired building, but He did not want for them to die.
- 35. They had planned to build a tower that reaches into Heaven where God dwells. And God does not want them to die because any mortal who sees God will die. Exodus 33:20
- 36. The glorious capability of mankind to see God and live was one of the lost spiritual capabilities through Adam and Eve in the Garden of Eden after eating the forbidden fruit.
- 37. However, the journey to restoration of humans' spiritual capabilities is what God is working on until the end of this earth when it shall all be completed and all pieces added up.
- 38. So, in order for God to preserve their mortal lives, He decided to send among them different tongues and languages on a day when their tower project was already progressive.
- 39. Because of different languages and not understanding one another, their communication tool was destroyed and disagreement arose because a

man who was told to bring a spade brought water instead.

- 40. These languages that God sent among them through His Heroic power broke them since that day.
- 41. Those who received the same language and tongue moved together from thereon seeking a good land to settle as a new nation.
- 42. There and then, people of Noah were broken into different nations. (Genesis 11)
- 43. The lower Fallen Angels continued to influence the masses for ungodly acts while the higher fallen spirits chose to pitch with the elites and rulers among humans.
- 44. Who has found the best land and territory? Who has found the best climate for agriculture and strategic location for trade? Who has found and settled in places of abundant and essential natural resources? Can they defend it?
- 45. There is now need for unrivaled military power to forcefully take, control or defend.
- 46. The nations were busy with violent wars of grabbing, seizing and annexing land and territories.
- 47. God needs to fix this anomaly by leading the nations to show them how to govern and maintain a moral and valued society through a supposed model-nation, Israel.
- 48. A civilized country where rule of law is enforced even if stoning to death would scare the uncultured people to fear and refrain from law violations.
- 49. A civil [and not barbaric] society where no one

takes anything forcefully and illegally because of having military prowess, personal power or the equivalence.

- 50. Barbarism is the story of King Ahab, Queen Jezebel and Naboth in the Holy Bible in which God responded accordingly.
- 51. There should be one nation that can lead other nations aright, as a sample or model showing the governing laws and leadership of God's mind for nations.
- 52. Whereas, all the nations of the earth have gone astray and none is worthy to receive the leading of God. Almost all of the nations already have their own idols, oracles, unjust systems of operating and war gods.
- 53. Then, God began to unveil a new plan for the Second New Beginning after the Great Flood.
- 54. God will choose a man and first redeem him. Train, teach, purify, sanctify, defend and bless him according to His ways. God will test this man to be sure that he is a worthy vessel.
- 55. God allowed Adam to be tested and when God was not with him that he should see God, Adam forgot God's commandment and violated a direct command.
- 56. So, God would also test the new man He wants to use to build a new people, a new nation and through this man and the new nation, God would train, teach, purify, sanctify, redeem, defend and bless the rest of the people and nations of the world.
- 57. Then, God found Abram as the vessel He would

use for this work. Abram is the Second [preservation] New Beginning after Noah.

- 58. He removed Abram from his family and away from idolatry. He told him to go out of his father's house and to a land that He will show to him.
- 59. Abram heard God and he obeyed His voice. That "first-obedience" is the beginning of God and Abram's relationship. Genesis 12:1-2.
- 60. Indeed God had planned to make a great nation [Israel] come out of Abram and this nation shall be God's Own nation and to be a model [but Israel seldom failed God a number of times].
- 61. God wants to make the nation an example to the world so that when the world sees the nation's glory, they might get to know Him through her.
- 62. The nation which later turned out to be Israel continued to disappoint God many times, time and time again.
- 63. So much disappointment that the pagans behave more morally than Israel at certain times.
- 64. Well, Messiah would have to come through the nation to the world which shall complete the plan of God since he chose Abram out of his father's house and out of idolatry.
- 65. Therefore, Israel can do what they like until Judgment Day for God's plan and work of salvation is complete and open to everyone who would walk into it.

Abraham and entire humanity

- 66. So that, at one time, we refer to God as the God of Abraham, then God of Isaac and later God of Jacob. Today, He is the God of all nations (Psalm 82:8) and all flesh [humans] (Jeremiah 32:27).
- 67. Although the world before Abraham has thrown away the awareness of God in their societies, God has brought back His consciousness to live with humans as an institution. The Holy Bible and the Church institution today, is the constant consciousness of God in Heaven.
- 68. Therefore, the focus of the human agents of Satan is to keep attacking the Church of God as founded by Jesus Christ in the acts of taxes and levies, blackmail, mob staging, terrorism, policy-making and more.
- 69. These human agents of Satan should also endeavor to ban the Holy Bible in as many places as possible.
- 70. For in honesty, if they can remove the Holy Bible completely from the society and frustrate or close down the conservative [those who preserve the expectations of the scriptures] church denominations completely, they might have succeeded in removing the true way to God from among the people.
- 71. Then, the pagan philosophies, myths and ideologies shall prevail again and the spiritually hungry people of the world shall return into full-time idolatry like in the days of Noah and the days of Sodom and Gomorrah.

- 72. You may want to ask how the Way to God in the society is streamlined to the Church only? Without acknowledging the Mosque, other Temples and Shrines?
- 73. Is it only the church that is part of the spiritual family of God? Are there no so-called churches of God practicing Satanism?
- 74. Are other faiths and religions part of the spiritual family of Satan? How provocative is it to talk about religions and traditional idols while attempting to categorize them under God's or Satan's spiritual family?
- 75. What proof is there to categorize world religions into two spiritual families? What if it is proven that God did not create any religion, would you believe?
- 76. Why is everything about religion and spirituality seem so controversial, complicated and confusing?
- 77. Why are there so many and disagreeing teachers of religion, faith and spirituality who call each other false?
- 78. Genuine fasting and prayer is any human's surest way to get answers from the Almighty Spirit. Anyone who calls on God with genuineness of heart, having not malice or hate at heart would have the grace to play host to the Spirit of God because He would visit the person, in the dream or by the day through enhancement of the body for communication with the Holy Spirit from the Almighty God. [Pray genuinely for an encounter with God and for Him to lead you to

the right path. Do not pray with a deceptive or adventurous heart, and be ready to do what the Spirit shall bid you on a visit. The one suffering color blindness should pray to God for guidance into the right room – path.]

- 79. Abrahamic faiths or religions are the religions established by the descendants of Scripture's Abraham
- 80. These religion founders can be traced to Abraham's lineage and they all lay hold t the Covenant that God made with Abraham.
- 81. They also practice to be faithful to God as their Patriarch [Abraham] and recognizes that the God of Abraham is their God.
- 82. These Abrahamic religions frown completely and teach against idolatry, sin and Satanism.
- 83. The Abrahamic religions include Judaism, Christianity, Islam, Druze, Baha'I, Rastafari faith and mixtures or cross-breeds.
- 84. Religion is man's creation but it is not a sin for mankind to create religion; any religion with idol lining is not part of God's Spiritual family.
- 85. Any religion that is into idolatry, just as many religions before and after the Great Flood, belongs to Satan's spiritual family because those idols are alive through the spirit of the Fallen Angels.
- 86. Also, worshipping ancestors is idolatry and the Fallen Angels will give the people the benefit of their worship to encourage them to continue to worship

their powerful ancestors.

- 87. It is common sense that demons need to give evidence for exercising faith in the dead ancestors in order to take more people away from God.
- 88. Do not ever forget that Satan and Fallen Angels are enemies of God. They started the war of overthrow in Heaven which pushed them out to earth. Revelation 12:7-9.
- 89. Satan and the Fallen Angels are the same spiritual family and they have on their side, many humans.
- 90. They walk and work all over the earth to increase confusion and deception to stray the people away from God. Job 1:7
- 91. Recall from the Holy Bible that Adam was living the best of life in the Garden of Eden, just like the Angels are living large in Heaven.
- 92. But when Satan set in to deceive the man, he exposed him and his human descendants to eternal destruction.
- 93. Satan and his family are not only the enemy of God but also the enemy of humans and every creature of God that rejects him.
- 94. If you too reject Satan, he will become your enemy. And if you support him, you are part of his spiritual family and will be thrown into the lake of fire with him after God's Judgment which God had already pronounced. Revelation 20:10-15.
- 95. On God's side, you shall be given power over Satan and to repel his oppression over your personal

economy, health, relationships and other areas of your life.

- 96. Worshiping and praying to spiritually powerful ancestors is a sin by the scripture.
- 97. The Holy Bible is so clear about the truth that only God must be worshiped and no one else. The Holy Spirit also forbids talking to the dead.
- 98. Prayer is a communication with someone you are talking to and you do expect a response. Praying to the dead ancestor can be likened to communication with the dead which is not supported by God's ordinance.
- 99. All the dead people, according to the Holy Bible, are waiting for the resurrection to judgment on God's Judgment Day. Hebrews 9:27.
- 100. However, there are satanic processes to reincarnate the dead. These processes of satanic reincarnation are unholy spiritual teachings which are not intended for this book.
- 101. The spiritual arts for reincarnation of the dead is real with a costly price and uncertain result.
- 102. It does not matter whether or not the religion is teaching sound morals and applicable principles for improved living, if you find out that it has the slightest lining of idolatry [example of goodness in idol is Yoga guided meditation], ancestral worshipping or prayers to ancestors; this is a red flag.
- 103. Again, God did not create any religion!

Juice #5

Address: Oka Eleda, Oka – Akoko, Ondo State, Nigeria in Africa.

This above address is one of the sites of spiritual evidence in Nigeria. When you get to Oka – Akoko, ask for a description of the House of Oka Eleda. It is a small village so you cannot get lost, besides, Oka Eleda is very popular in the entire Akoko region of Ondo State. People visits this spiritual site to invoke the soul of the dead so they can speak with them about a thing. Such a spiritual site for the same purpose is also at Epinmi – Akoko in Ondo State.

This practice was also recorded in the Holy Bible Book of 1st Samuel 28:3-25 when King Saul visited the Witch of Endor to invoke the Soul of dead Prophet Samuel. Some people [religion] also visits the grave to pray to the dead because they believe that the dead are gods [or that the dead can compel God for them because the dead had very cordial relationship when they were alive, whereas, He is the God of the Living]. God forbid the living from making contact with the soul of the dead. This address is given for people living in other parts of the world who do not believe that spirits or spiritual arts exist. Of course, Africans would not doubt the reality of spirits, magic or mystical powers because they are surrounded by evidence.

This reminds me of my past times when I lived abroad. I had thought that I left the domain of demons [fallen angels and their spiritual arts] into a country where there

is none. I did not realize that demons' activities may be different from one country to another. Few years in the country, I began to suffer the kind of problem of many people in the land which is –unnecessary depression. The most common thing there at that time was depression, despair, fear, lacking peace of mind, absence of joy among many other battered emotional feelings.

To escape the disturbing and suicidal feelings, some indulge in drugs and alcohol to escape the feeling or reality. I decided to resume my prayer life until one day when my souls' eyes opened to see spirits everywhere. And further, I saw two little girls with different parents in the mall who both had an eye on their foreheads. They both looked at me and looked at each other, then they laughed and said this one too can now see.

I also observed that, even married, men and women were dangerously hungry for pre- and extra-marital affairs with multiple partners in such a way that they cannot control. I also suffered sexual immoralities at that time. This also is an activity of demons causing lust and its opportunities.

- 104. In the Old Testament, an altar is enough to play host to God before they began to build temples. Jesus came and established the Church to replace the Temple.
- 105. There are signs from God to prove that He sent Jesus and the tearing apart of the cloth of the inner Temple is an evidence of the Church to replace the Old Testament Temple.
- 106. Would Satan allow the true comprehension of the spiritual information in this work? Would he not manipulate the thoughts or use unsaved vessels [humans] to ridicule the knowledge? Ephesians 6:11 did warn that Satan is very intelligent and smart!
- 107. The temptation he placed before Adam and Eve seemed harmless and the one he placed before Jesus seemed harmless too. And those were strategic!
- 108. Just one missing, misplaced or misunderstood piece of the whole picture is enough for Satan to lead the people astray in personal reasoning [without fore-prayer] or through external influence.

Religiously Important Abraham's Sons; Isaac and Ishmael

- 109. Despite the Great Flood and first preservation through Noah, the descendants of Noah still slipped back into staying in bed or relationship with Satan through immoralities, sin, witchcraft, wizardry, idolatry and all forms of unGodliness.
- 110. The entire world sank into wickedness and territorial wars and murder multiplied.

- 111. The statutes and fear of God were removed from many places of the world by the people and so did wickedness increase.
- 112. Then, God called Abram out of his father's house [Chaldean] and of worshipping the Sun which is regarded as a god in his family-line.
- 113. God took Abram through a number of spiritual purification and faith-building processes. God changed his name from Abram to Abraham and his wife's name from Sarai to Sarah.
- 114. Something painful and regrettable, however, happened in the life of this friend of God, Abraham.
- 115. After all, he is human.
- 116. The negative emotions he allowed in him made him welcome the suggestion of his wife, Sarai, as a shortcut solution to their barrenness instead of waiting for God's seeming delayed promises.
- 117. The negative emotions like worry, anxiety, impatience and attempting to help God in fulfilling His promises is a common thing among many who plan to wait for God's time.
- 118. Many believers, today, also take steps in which they think they are helping God to fulfil His promise.
- 119. Any step we take out of negative feelings can easily be hijacked by Satan because the Holy Spirit of God is never found in such negative feelings.
- 120. Then, Abraham slept with his wife's slave as advised by Sarai. The slave woman gave birth to Ishmael.

Read the account further in Genesis 17:1-17

- 121. Thirteen years before the record of Genesis chapter 17, Abram had already given birth to Ishmael and his name was still Abram at the time of birth of Ishmael.
- 122. Abraham laughed in Genesis 17:17 because he had almost lost hope of another child.
- 123. After all, he had gotten Ishmael and He expects God to transfer The Promise and Blessing upon Ishmael.
- 124. But God said no! And saying God said no, the reference is found in Genesis 17:15-16.
- 125. Ishmael would have been totally forgotten like other children of Abraham after Isaac but for the prayer which Abraham prayed to God when God was speaking to him in Genesis 17:18.
- 126. Therefore, whenever you are in God's presence, be careful of what you pray for, because you might have it. Everyone who encountered Jesus on earth got what they wanted and that is the representation of God.
- 127. So, God heard the prayer of Abraham immediately and blessed Ishmael.

Kindly read every word in Genesis 17:19 carefully.

- 128. Firstly, God said "Yes" to Abraham's request that the "Blessing" should be extended to Ishmael for Abraham's prayer sake.
- 129. And God spoke further and He said "but" I will

establish my “everlasting covenant” with Isaac who will come through Sarah.

- 130. This translates that Ishmael can pray to the God of his father, the God of Abraham. Ishmael is entitled to receive blessing from God of Abraham who is the Almighty God, but he did not receive the eternal [life] covenant.
- 131. [Yes, the God of Abraham is the Almighty God who dwells in Heaven, Exodus 6:3. He is the creator of all living things, worlds and all that are in them. Revelation 4:11.]
- 132. Isaac received both the “blessing” and the “everlasting covenant” but only the “blessing” is extended to Ishmael.
- 133. God confirmed in Genesis 17:20 that He heard the prayer of Abraham and that He will SURELY bless Ishmael. In Genesis 17:21, God reconfirmed that the covenant of eternal life is from and within Isaac.

Blessing Only versus Blessing and Eternal Life

- 134. God’s blessing is not limited to money which shows that the Promise of Blessing for Ishmael and Isaac transcends money.
- 135. Apart from deliverance and salvation, there are fourteen well desired kinds of God’s blessing which include being alive and Goshen-kind protection; daily bread; interim shelter or dream house; all-round healthiness; good spouse and peaceful family; children that brings joy; understanding and wisdom;

prosperity in money and materials; progressive education, job or own-business; skills and spiritual gifts; complete body parts; power, position and relevance; destiny [your purpose] and vision helpers; and success in different endeavors.

- 136. Part of God's Blessing is Protection which implies that there will be a strong fortress or defense for Ishmael.
- 137. And in the world today, the descendants of Ishmael and those who practice their faith enjoy multiple kinds and levels of blessings from the Almighty God. And their promised fortress [protection] is the reason they cannot be wiped out by any super power nation in this world.
- 138. Genesis chapter 17 is where God had sternly placed a difference between Ishmael and Isaac.
- 139. The words are very loud and clear that the eternal covenant is added to the blessing of Isaac, whereas Ishmael has received only blessing.
- 140. The wisdom in Genesis chapter 17 is that when eternal life, eternal salvation or eternal covenant shall come to humans' world through Isaac, even the descendants and faithful of Ishmael must come to this Salvation and Covenant.
- 141. Eternal means beyond earth and Ishmael is not given beyond earth. Those who want eternal life beyond earth and who, indeed, want to live in God's paradise must accept the Covenant of Isaac.
- 142. Both Ishmael and Isaac dominates the Middle

Eastern part of the world. Their philosophies, religions, faiths and spirituality have been exported to all the corners of the earth.

- 143. The major religions that came out of Ishmael include Islam, Iranian religions and other derivatives.
- 144. The Major religions that came out of Isaac include Judaism, Christianity, Rastafari and other derivatives.
- 145. When you open the scriptures of all the Abrahamic religions, you will find similar recorded events and God's commandments and statutes.
- 146. The Judaism religion is the base religion for other Abrahamic religions where most of other Abrahamic religious ordinances and scriptures are built upon.
- 147. For example, the Christians' Holy Bible was written from Judaism's Tanakh and the Prophets. It also includes the Gospel of Jesus, the Epistles, the Apostles, the Hebrews and the Revelation. This makes the 66 books of the Holy Bible.
- 148. [The Roman Catholic has 73 books in the Bible and the included seven books are controversial based on the origin of its translation from the Greek Septuagint.]
- 149. The non-Catholic Christians want the sacred texts of the Hebrews only as translated from the Hebrews Masoretic texts.
- 150. The Islamic Quran can also be said to be largely written with the influence of the Judaism Tanakh and

the Prophets having many related accounts and history.

- 151. Although, Muhammad [the Islamic Prophet and Founder] posited that an Angel showed him the Quran but other Abrahamic religions may object such position for a skeptical reason that such a magnanimous text to all humans should be revealed with great signs as proof and many people [unbelievers] as eye-witnesses.
- 152. The few texts of the Ten Commandments that God gave to Moses is a good comparison because it came with signs to the people. God always proves with undeniable signs in the Hebrews record.
- 153. Having great interest in politics and business and dispensing great wisdom in all that he did in his days, the Holy Quran was brought to humans' world through him. The Holy Quran which holds similar accounts to Judaism's Tanakh, Talmud and Midrash; books that existed before it.
- 154. Muhammad also posited himself to be the last prophet. Although, there are still many prophets of God on earth till today.
- 155. In the Book of the Prophets from the Old Testament, the Book of Joel 2:28 and the Book of Acts 2:17 proves that there will be more prophets of God till the end of days.
- 156. Jesus did not say a prophet would come after him, he said a Comforter [Holy Ghost] would be sent from God the Father to dwell with the saved souls forever. This and other prophets are dead and Jesus said

“forever” which confirms that Jesus was not talking about any prophet but the Holy Spirit as written in Joel 2:28.

- 157. The Hebrews after the ascension of Jesus preached a sermon that was documented in Hebrews 6:1 that all humans who have received Jesus should leave the foundation of Jesus Christ and move into perfection, not re-laying the foundation of repentance.
- 158. This is an exhortation for growth in the knowledge and expectations of Jesus. It does not mean to go out of Jesus Christ into another faith, as popularly argued orally. Yet again, the Hebrews Holy Bible is best interpreted through the Holy Spirit and not scholarly studies.
- 159. The first four gospel records of the Christians' New Testament was written by the Apostles who worked directly with Jesus Christ. Those were enough authentic record keepers!
- 160. A man [Muhammad] who was born about 570 years after Jesus cannot hold the accurate records of Jesus like those who worked directly with him in person. [About 17 generations apart]
- 161. Although, there have been Apocrypha, oral rendering of Jewish culture, researchers and ghostwriters in human history; all the four gospels could not have been written by ghostwriters, especially, when they are not politicians. More so that the Apostles did not have viable businesses that could enable them to afford to pay ghostwriters. Therefore,

the four gospels books are authentic enough to tell the world about Jesus' life and mission on earth.

- 162. However, one thing is undoubted; a dimension of God was with Muhammad because he sought the God of his forefather [Ishmael] and detest idol worshipping just as God detest it. God would support anyone that walked in his path to conquer the idol worshippers of Saudi Arabia in his days. Muhammad [Ishmael] was a great man before the Almighty God, no doubt.
- 163. Mohammad made many idol worshipers to convert away from their idols and those idol worshipers and powerful priests of fallen angels who refused to bow to the Almighty through him left Mecca and Arabia for him.
- 164. [Distorted history in Yoruba Studies have it that Lamurudu, the said father of Oduduwa moved to Africa after the emergence of Muhammad and his push against idols and fallen angels. Oduduwa is the one said to have used a mystical chain to come down from the sky which made the early settlers of that place submit to him to establish his kingdom. I learnt about Lamurudu being from the East and the father of Oduduwa in my high school Yoruba study class.]
- 165. If God's power was not available for Muhammad, he could not have been able to resist and suppress idolatry and the fallen Angels in Mecca and the Arabia. He also succeeded in indoctrinating his formula for success into a religion and now having

many supporters and believers. The system [or religion] that Muhammad established is good [apology and sympathy for those who lost their love ones to extremism and terrorism in the name of Islam], but for human rights violations and the violence of certain extremists and other criminals who do their evil to blackmail Islam.

- 166. However, man's effort is not equal to God's ordination; Muhammad [Ishmael] made great efforts before the Almighty God, but Jesus is elected and ordained [through Isaac] as the savior of humans' soul. Because humans cannot save their souls, this is why, despite the great life and efforts of many Prophets in the Holy Bible times, God still had to send Jesus Christ [the first Spirit of all creatures] from Heaven to come and save the human race.
- 167. The difference between Jesus [his disciples who are called Christians] and Muhammad [his disciples who are called Muslims] is eternally great. Can you compare a mortal with an immortal? A soul with spirit? Mohammad is a soul like every other human on earth, the same way all the Prophets.
- 168. Muhammad was born by sexual intercourse between his mother and father and that makes him like every other human –mortal. Jesus was born by the overshadowing of the Holy Spirit that enabled Virgin Mary to conceive Jesus' pregnancy. He is Spirit!
- 169. Because Jesus had no human father and in order to avoid referring to the Almighty God as his Father, the

Quran decided to tie each Quranic character to his or her mother. Therefore, the record says Jesus the Son of Mary, but the Holy Bible says, Jesus the Son of God. The original culture of Arabs recognize the men to be more important than women and such treatment is still loud in several Islamic nations today, to limit the humanity of Muslim women. So, how suddenly did the Quran reference a person to the mother instead of to the father? That's strategically deliberate!

- 170. When Muhammad shall stand before the Throne of Judgment on God's Judgment Day (Revelation 20:10-15), Muhammad shall also stand to receive his Judgment into either eternal Paradise or eternal fire, just like every other human and prophets. But Jesus would be sitting on the right hand of God, waiting to rule the new world of saved souls. Only those saved by the Blood of Jesus shall be judged into eternal Paradise while others shall be thrown into fire with Satan and Fallen Angels.
- 171. All Abrahamic religions point to the Almighty God of Heaven and they pray to Him and receive blessing from the same God, but wherein is Salvation and Eternal Life amongst them?
- 172. Are they all part of God's spiritual family? As for the rest of humans on earth [descendants of Noah] who are not descendants of Abraham, how does Abraham's descendants, religions, faiths and spirituality concern them.

Did anyone ask “I’m not from the Middle East, what’s my business with Abrahamic religions?”

- 173. Recall in the history of Heaven, how Lucifer and his loyal angels ganged up and staged a coup-d’etat to dethrone Jehovah and enthrone Lucifer as the new Almighty God?
- 174. This is the insult of a limited creature attempting to overthrow an unlimited Creator in a very aggressive and disturbing way.
- 175. The most dangerous part of this spiritual warfare in Heaven on the humans’ part is not limited to mankind losing their divinity through Adam and Eve in the Garden of Eden.
- 176. The impact of the spiritual warfare that started in Heaven on humans is the threat that Satan poses to destroy the human soul in an eternal lake of fire, along with himself. Revelation 12:12
- 177. This threat of eternal damnation is unto every human, in fact, every human is on track to eternal damnation and the evidence is that the human soul is now wrapped in the flesh
- 178. And the soul is trapped in Sheol and cease to be among the living once the flesh is dead.
- 179. So, if you are still in the flesh and you still see or hear that people die, that is the evidence.
- 180. Except God of Heaven will have mercy on humans on earth and send them salvation, the souls shall be thrown into the lake of fire along with Lucifer and Fallen Angels.

Why do humans need pardon, forgiveness, mercy, salvation or grace from God? Read Genesis 2:15-17.

- 181. There is a command-line from God to Human-Adam and the consequence of eating the forbidden fruit [the poison, a test for obedience and submission]. Adam and Eve chose death on the day they chose to eat of the forbidden fruit and their offspring shares the death in their hereditary by default.
- 182. This is why the world is talking about eternal salvation today!
- 183. Although humans, especially the greatly successful ones, do not want to die, the first death is certain in order to separate the soul from the flesh.
- 184. The flesh dies and is gone forever but the soul shall wait in the realm of the dead until resurrection to judgment on God's Judgment Day.
- 185. Humans who refused the salvation before they die shall be condemned at Judgment but those who receive the salvation before death shall reap the covenant of eternal salvation which sprung out of Isaac and not Ishmael.
- 186. Now, let's categorize the entire people on earth into descendants of Noah and descendants of Abraham, though Abraham is a descendant of Noah. But as God pleases, the new beginning with Abraham is a spiritual one and other descendants of Noah must key into this spirituality because it is therein God revealed Himself to all humans of the world.
- 187. Before the new beginning with Abraham, the

world humans were lost away from God, his laws and statutes.

- 188. Satan and Fallen Angels were the order of the people through numerous means.
- 189. God revealed Himself through Abraham and because God's covenant with Abraham has led to many religions, faiths and spirituality, the world should come together to read between the lines.
- 190. If Abraham was God's spiritual startup on earth, why are his religions more than one and disagreeing?
- 191. The world should come together to read between the lines to find out the path of true salvation to eternal life.
- 192. This is very important because as humans in this one big prison-like human's universe, we are all set for eternal damnation if we do not ask tough questions and make the right choices.
- 193. Although we have inherited sin and curse from Adam (Romans 3:23), there is divine pardon, forgiveness, mercy, salvation and grace to humans handed down from God.
- 194. Of course, there would be means of delivering this to humans and God chose one man to start this process of redemption and eternal salvation – Abraham.
- 195. Now, if Abraham has become different religions and faiths today, is it not a good thing so we can choose whichever one we like?
- 196. Well, there is a problem, a very big one!

- 197. The big problem is that the religions that came out of Abraham all agree in certain vital areas and disagree in certain vital areas.
- 198. Vital areas because all the information and ordinances are important.
- 199. Like we have mentioned earlier: Just one missing, misplaced or misunderstood piece of the whole picture is enough for Satan to lead the people astray. That missing, misplaced or misunderstood pieces could be few details or revelations or misinterpretations.
- 200. God is not a Confusion-ist and He is so orderly that you can see orderliness in the art of creation and in creatures.
- 201. This is why the world should come together or as individuals to read between the lines in the scriptures, teachings and acts of the Abrahamic religions.
- 202. Ask wise questions without reservation or diplomacy because asking wise questions is one of the pillars of learning.
- 203. Now that we are aware that the treasure is within Abraham, let us become the Treasure Hunters and the Treasure is our salvation from this one big prison-like human's universe into immortality in the so-much talked-about Paradise of God.
- 204. On this note, we dare say that the hunt for eternal treasure, eternal salvation, immortality and the much talked-about Paradise of God and the search for God should be a Fundamental Human Right.

- 205. Right to Life is the bedrock of Fundamental Human Right and Eternal Life should be considered as right to life.
- 206. Those who believe in Eternal Life are not a minority group in this world and should be given the Right to their Faith which they believe guarantees eternal life after death.
- 207. This should be considered, enshrined and enforced through the United Nations as a right to immortal life through choice of faith, on a global scale. Most nations in the Middle East would probably reject this.
- 208. To this end, “force” of an eternally sensitive matter like faith or religion on anyone is wickedness and infringement upon Human Right.
- 209. It is written that everyone will stand before the Throne of Judgment without any “Advocate”.
- 210. Why let anyone decide for others and force them into what he believes is the way to gain eternal life?
- 211. This is an individual decision and choice, therefore, should be considered a Fundamental Human Right worldwide at a certain age.
- 212. Governments of the world should not shy away from this as they are expected to provide an environment, law and policies that is all-encompassing for all facets of humans’ life including matters of customs and faiths.
- 213. Religious enforcement, whether direct or strategic, at state-level is abuse of Human Rights.

- 214. How can the God of Abraham be the only True God? What about ancient faiths?
- 215. An ungodly reality at the age when Abram was called out of Ur.
- 216. The entire world had sinned and come short of the glory of God. Romans 3:23.
- 217. It was similar to the age when God found no one worthy on earth other than Noah's family. Review this references Psalms 53:2-3, 14:2-3, Ezekiel 22:30 as other times when God found no one on earth.
- 218. The selection of Abraham was an absolute new spiritual beginning and he did not bear witness or endorse any other existing faith, religion, god, idol or spiritual practices at that time but constantly abhors them in the name of his God.
- 219. We dare say that the God of Abraham is the One and Only True God.
- 220. Anyone who posits otherwise should do personal research in the acts of the gods and compare their deeds with the deeds of God of Abraham and the many times He had silenced the gods in Holy Bible Times.
- 221. Few examples; destruction of Dagon idol, Baal god and its prophets, parting of the Red Sea, destruction of 185,000 Assyrian Army, Angel Michael against the Persian god in Daniel's time, the Great Flood, razing of Sodom and Gomorrah and so many other acts of God of Abraham.

AN OPEN LETTER

Dear Reader,

Foremost, be aware there are many arguments about the existence, knowledge and access to God in humans' world and mesmerizing enough is when secular scholars dabbled into spiritual things and began to teach them with human knowledge and understanding. Can God be found through science or humans' limited knowledge? No! Because these respected scholars are well educated in the way of humans and celebrated among many, they throw their weight in an attempt to resolve the arguments in the "religious sector" and the best they vomit is philosophy. God is Spirit and those who seek and worship Him must do so in the spiritual realm, not by factual scholarly approach.

Humans have knowledge about spirits. Different groups of humans have knowledge about different spirits depending on their encounter with the spirits or the passing down of the knowledge of the encounter and customs [traditions] to keep in relationship with the spirits from one generation to another. One thing is certain, under God's watch, no spirit [Angels from Heaven] is permitted from Heaven to interact with mankind except they are on God's approved assignment. Such Angels from Heaven do not reveal their names except the four ArchAngels; and they do not establish

themselves as objects of worship [idols]; they do not take human form to dwell among them to rule or influence them. God raises humans to become powerful as Kings, Prophets or Other Roles, therefore, they should not be mistaken as gods even if they look too supernatural.

All the prophets that God raised before the coming of Jesus to humans' world testified to one another and the theme of their message and behavior reflects that they bear the message of the same God. Many among them foretold by God's revelation that Jesus would be born to this world and to save the world from eternal damnation by his blood. Jesus is the only exemption of Spirit born as flesh among whatever spirit [Angels] that come down from Heaven on assignment. There may be other spirits in human flesh who lived with humans on earth in history, but they are certainly not from God. This is why God revealed that the Angels who visited the humans' world without God's assignment or approval [for selfish, lust or vain glory reasons] are locked out of Heaven [read it in the Holy Bible Book of Jude 1:6] and would be thrown into the Lake of Fire after the day of God's Judgment with those Fallen Angels who had fallen with Lucifer the Satan as documented in Revelation 12:7.

Finding the Almighty God is such a linear and easy process but many confusions and deceptions are just everywhere in the world as works of Satan, Fallen Angels and the Angels who were locked out of Heaven for visiting

the humans' world for corrupt reasons. They are all angry with God and are determined to destroy all God's work on earth including the humans. Although they appear harmless and play the victims and seek empathy from humans, they have one purpose of Satan, to destroy everything of God that they can. God has already sentenced them to eternal damnation and these rebellious spirits want you and I dragged along with them, but God forbids, Amen.

Any of these demons may not appear eyeball to eyeball, but they can possess another human to communicate with you to influence, encourage or force you to do things that will keep you away from the Almighty God. Beware of help; many help in this world have been sent from hell to destroy a man's soul. Nevertheless, help is very good, just be careful. In hard times and in need of help, call to God in prayer like David in Psalm 121.

There are so many things that I would like to tell you, but in order to keep the size of this book small enough to capture and encourage the people who do not have flair for reading books. I have asked many questions in the spiritual realm of God's revelation and I have received many answers with convictions. Permit me to teach you a way to have an encounter with God. But you must first desire an encounter with God and you must believe that you too can have a spiritual experience with Him. Then, your determination for an evidence of God must lead you

in the culture of prayer and fasting. You do not know yet whether the Christian Bible, Muhammad's Quran or other "Holy Books" is what you should study [in case you feel lost in between], you can stay away from the Books for now and continue in prayer and fasting asking God for an encounter and direction to the true path to Him. Pray with this one of the most powerful things that set God apart from other gods and religions, call Him by this reference of great differentiation:

'The God who created the Heavens and the Earth, please grant me an encounter with you and lead me into the right path [faith] so that I may know you and gain eternal life, away from eternal damnation. I am available for your visit in my dream and I am available for your visit when I am awake'. Again, I pray unto you the God who created the Heavens and the earth.'

There is no Angel, demon, any creature or anyone anywhere who can answer that call except the God who truly created the Heavens and the earth. Therefore, be at rest and continue to pray regularly with determination until He visits. For clarity, fasting begins from midnight by 12am until, at least, 12pm at noon. In days of praying and waiting for God, it does not stop you from going to your work but do ensure to do more good things for people and help for the needy. If you wait or search for

God is not genuine, He would not visit until you make it right.

Sadly for many Christians in developing countries, after their encounter with God and the confirmation of their salvation, their productivity drops by losing interest in vital areas of this life in areas of job, business, politics, entertainment and others because they believe that Jesus Christ is coming back today and there is no need for ambition in this world. This is wrong! Go ahead and aspire but remember that Godly righteousness is expected of you to keep your name in the Book of life. Enjoy golf games, football leagues, your PlayStation or Xbox, birthday parties, swimming, comedy shows and other recreations. Stay away from idols and idol festivals! Wait for God in prayer as described above and He would surely visit by His Spirit.

I have done mine. Happy waiting, happy experience!

Yours faithfully,
Dickson O. Adelusì

...

There are idol worshipers and other not-Jesus' way adherents [or religion] who are deeply, very good people. Their character is exemplary and way better than many Christians. They are in-born with goodness and are among us in different room names like Muslims, Yoruba religion adherents, Hindus, and particularly, I have a Buddhist friend who does more good to people than I do.

How I wish these goodhearted, morally sound and heaven-worthy people can just understand the spiritual position of the Almighty God about salvation for humanity through Jesus Christ alone! They stand the chance to become greater than many 'false' Christians in the eternal Kingdom that God has given to Jesus Christ. How can mere and fellow mortal like me make them understand, except, they seek God in prayer to show them the way. God hears good people and religion would not matter!

CHAPTER TWENTY-ONE

Gateway into the Bloodline from God by Simple Steps Initiation

[Although, this chapter mentions how Israel came to be, it shows the gateway to eternal life through a covenant made with Abraham and finally mentions the initiation process into spiritual family of God – as children and not slaves of God.]

- 1. Isaac received the Blessing and the Everlasting Covenant but only the Blessing is extended to Ishmael. God confirmed in Genesis 17:20 that He heard the prayer of Abraham and that He will surely bless Ishmael. In verse 21, God reconfirmed that the covenant of Eternal Life is from and within Isaac
- 2. God appeared to Isaac as confirmation of the Covenant He made with Abraham in Genesis 26:2-4. The land in Genesis 26:3 is the land which the Ancient Israelites return to take in the Middle Eastern part of today's world.
- 3. For the Eternal Covenant of God to continue in the lineage of Isaac, Jacob the son of Isaac was chosen to become that nation.
- 4. God's Angel [a god] appeared to Jacob and changed his name to the name of God's nation [Israel] and established His Covenant with Jacob.
- 5. The Messiah of the entire world would come from Jacob. Genesis 35:9-13. Jacob was renamed Israel by God's approval and Jesus the Messiah of the entire world of humans will come from Israel.

- 6. God began with Abraham and from Abraham came two crossroads of Ishmael and Isaac. But God was clear that Ishmael was not His plan and that Isaac was His plan for the entire world.
- 7. Then, from Isaac came Esau and Jacob but Jacob who was renamed Israel by God carried on the Covenant.
- 8. Jacob's twelve sons became the twelve tribes of Israel. They, mostly, intermarried and multiplied and became a nation of many people.
- 9. They were bred in Egypt until the time God decided to move them to the land He had promised Abraham, Isaac and Jacob, the Canaan Land or the land inhabited by the Canaanites.
- 10. Moses was called by God as a Great Prophet and Leader to lead Israel out of Egypt with the mighty power of God.
- 11. Egypt was plagued many times before Pharaoh succumbed to let Israel go.
- 12. God deliberately led Israel through the Red Sea and parted the Sea before them and to destroy the unrepentant Pharaoh who chased after them into the Red Sea.
- 13. Moses got irritated by the behavior of Israelites through the wilderness and overacted to dishonor God which vexed Him and He took him out of living, buried him and replaced him with Joshua.
- 14. Before Moses was no more, he had received the Ten Commandments from God and many other laws

were given to and written by Moses as to how a nation of God must be governed in the new land.

- 15. Everyone needs to understand that not all the laws written by Moses were given from God as he wrote some using his discretion. Knowing that Moses represented the Executive, Legislature and Judiciary symbol of the Israelite.
- 15. Part of Mosaic Laws are peculiar to Israel and their customs and not laws directly from God. It is not all Mosaic laws that are recorded in the Christians' Holy Bible.
- 16. All of the writings of the laws are regarded as sacred texts and preserved in forms of Torah, Tanakh, Talmud and Midrash. It was not only the sacred texts of Moses that were preserved in these Old Testament Books but, also, the sacred texts of other Prophets of God in Bible Times.
- 18. The Prophets after Moses also wrote Laws as the Spirit of God instructed them [direct instructions, laws and prophecies from God through the Prophets].
- 19. This is why Jesus said I did not come to annul the Laws and the Prophets.
- 20. The Sacred Texts of Moses and other Prophets until the last Prophet before Jesus Christ were preserved on clay tablets and scrolls.
- 21. They are the foundation-al scriptures of the customary or traditional religion founded by the Jews which is Judaism.
- 22. The people of Israel are also called Jews. Their

Sacred Texts formed the content of the Christians' Old Testament Bible.

- 23. Many of the Jewish Sacred Texts [events] are found in the Muhammad's Quran with some distorted narrative. Though, Muslims believes that Angel Gabriel showed the entire Quran to Muhammad.
- 24. Also, since the time of Abraham until the time of Moses, God Almighty has been revealed as Monotheistic. The doctrine or philosophy of the Holy Trinity, Triune or Triad God of Heaven philosophy has the lining of pagan background.
- 25. The laws of God given to Israel is a model for all nations of humans' world [You may exclude the Mosaic Laws that are constitutional where it is not direct commandment from God].
- 26. The ordinances and covenant of religion of the Jews which is Judaism, shall however be changed and replaced with the New and Eternal Covenant of Jesus. The change does not cancel the laws.
- 27. The change is important because faith or Spirituality [misunderstood with religiosity] is a spiritual thing and to become a spiritual family of God, it would require more than circumcision as was done in the Old Testament.
- 28. It requires a sinless and sacred blood from the family of God in Heaven in order for humans to become part of the spiritual family of God again.
- 29. God has planned this from the beginning and this is the Eternal Covenant of Isaac fulfilled with the Blood of Jesus Christ.

- 30. Bear in mind that Abraham was a friend of God Almighty, but Jesus Christ is the only Begotten Son of God Almighty.
- 31. There is a blood difference between friends and family no matter the love between the friends. That Blood of Jesus is the ritual to be adopted and transformed into God's spiritual family.

The Eternal Salvation [the Eternal Covenant of Isaac]

Do you remember when we started with a scriptural truth of how God Almighty formed Adam and placed him in the Garden of Eden? God later created Eve from the rib of Adam. We also talked about the ambition of Lucifer in Heaven to overthrow Jehovah on the God-Throne but failed. How Lucifer and his loyal Angels who were involved in the coup d'etat in Heaven were hurled down to humans' world called earth.

Then Lucifer became Satan and, when moving up and down the earth, found the Garden of Eden and surprisingly found Adam and Eve in it. Satan deceived Adam and Eve to eat the Forbidden Fruit which is how humans lost their immortality and began to die. Of the truth, it is the flesh of humans that dies because the soul is immortal and trapped in Sheol, the realm of the dead, until Judgment Day. The Bible did not mention the end of burning in an eternal lake of fire; the Bible only says "day and night they shall keep burning forever". The Soul is eternal!

- 32. Nowhere in the Holy Bible did God engage in physical combat with Lucifer, not even during the war in Heaven which is revealed in Revelation chapter 12. God is way above that!
- 33. The entire Book of Revelation shows the ultimate plan of God to punish the insult of coup d'etat against His Sovereignty and that He is set to burn all reasoning beings and immortals involved with Lucifer to insult, blaspheme and dare attempt to wage war against Him the Creator.
- 34. The transgression of humans is lightweight compared to what Satan did in Heaven and so God showed compassion towards humans and made a Covenant of Salvation with them.
- 35. This is salvation or saving them from eternal burning in the Lake of Fire, wherever God has set up the Fire.
- 36. There is no life whatsoever in that Fire and it is an eternal burning and torment. That is why the Covenant of Salvation is the same as Covenant of Eternal Life.
- 37. This is the Eternal Covenant that God made with Abraham that He vowed to establish through Isaac's descendant and not Ishmael's descendant.
- 38. Down the line of Isaac came Jesus of Nazareth.
- 39. Whoever rejects the Gospel of Jesus Christ as preserved in the writings of the Apostles who worked directly as disciples of Jesus Christ in the first four Books of the New Testament –Matthew, Mark, Luke,

and John – has rejected this Eternal Covenant, even, that Eternal Life.

- 40. Such a person or people would have their place in the eternal punishment of Satan and Fallen Angels. John 3:18, John 3:16-17, Revelation 20:11-15
- 41. This eternal salvation is God's finished work through the blood of Jesus who He sent to humans' world to reconcile and redeem humans unto God.
- 42. The humans of the world must accept and believe in the divinity, mission, teachings, death and resurrection, blood, name and second coming of Jesus Christ in order to be saved.
- 43. Remember that Isaac received both the Blessing and Eternal Covenant of Salvation from God. Therefore, apart from the Salvation, the Blessing is there in Jesus Christ.
- 44. For those who receive Jesus Christ and can faithfully activate Revelation 5:12 through the indwelling of Jesus in them, it is indeed a blessing.
- 45. Whoever, whether Christians, Muslims, Jews or Others, that rejects this eternal salvation because of sticking to their religions, arrogance to make a U-turn, Godlessness or sinfulness shall be casted into eternal fire with Satan. John 3:18-19.
- 46. Sadly for many Christians in developing countries, after their encounter with God and the confirmation of their salvation, their productivity drops by losing interest in vital areas of this life in areas of job, business, politics and others because they believe that

Jesus Christ is coming back today and there is no need for ambition in this world. This is wrong! Go ahead and aspire but remember that Godly righteousness is expected of you to keep your name in the Book of life. Revelation 20:15.

- 47. Men say the end shall justify the means but God says the means is of utmost importance. Righteousness is simply doing the right things at the right time, always.
- 48. Spiritual Families and tribes: Initiations and Adoptions.
- 49. The worlds were inhabited by Spirits from the beginning before Lucifer the Satan divided the one big family.
- 50. Then the Soul was formed to be a Being of Reason like the Spirits.
- 51. Satan deceived the Soul to eat the forbidden fruit which trapped the Soul in the body of flesh after the Glory of God had left the Soul.
- 52. The Soul, ignorantly, elected a new master who is Satan by default.
- 53. Satan has full control and power over the Flesh body and uses its lust to enslave the Soul.
- 54. By force, every un-redeemed human belongs to the family of Satan. This is because there is no middle ground -the middle ground is a sinking ground. Everyone who stays in the middle are forcefully taken by Satan, by default. Side-taking is unavoidable between the two spiritual families.

Satan is spirit and that is why we posit that they belong to the spiritual family of Satan, knowingly or unknowingly, intentionally or unintentionally and whether they agree or not.

- 55. From the beginning, fast forward to our present age till the end of days, the only humans who belong to the spiritual family of God are those who the Blood from the family of God has redeemed from forceful ownership of Satan. That Blood of God's family is the Blood of Jesus Christ, the only Begotten Son of God. The same redemption he took to Sheol for three days for the dead who would accept him. Never again shall salvation enter Sheol after the ascension of Jesus!
- 56. Having mentioned the families, what are the tribes?
- 57. Satan owns one spiritual family and many tribes. The tribes of Satan spiritual family include, the witches, wizards, idolaters and their priests, the deceived, the self-gods, the persons of marine spirits and of air spirits, unclean enlightenment and Spiritism and so many religions.
- 58. Their family passport is the solemn or bold rejection and/or denial of God's approved Way and governing laws as written in the 66 Books of the Hebrews Holy Bible from Genesis to Revelation.
- 59. No human can put a number to the tribes of Satan because they keep coming in many other names and philosophies. However, God is always specific and, even, the number of Spirits of God Almighty is seven.

- 60. God is always stable and ever true; never changing and no after-thoughts, knowing end from the beginning.
- 61. The tribes in God's spiritual family can be likened to the twelve tribes of Israel which was later represented as the twelve disciples of Jesus Christ in the New Testament.
- 62. To this end, we must show a wisdom here that the church is the gathering of children of God and not the building.
- 63. The church is the gathering of the children of God which is why Jesus Christ shed His Blood and died for the church. Ephesians 5:25, 1John 3:16.
- 64. Therefore, the church is the spiritual family of God because it is the gathering of the children of God.
- 65. There are twelve tribes of the church according to the twelve disciples of Jesus Christ.
- 66. These twelve tribes are independent of the denominations' names because assigning a particular church denomination to a tribe is more of a spiritual exercise or practice than physical features.
- 67. For example, the Roman Catholic Church is just one denomination as much as the Jehovah Witnesses Organization is. There are many other church names and every different name is a denomination.
- 68. We believe it is not within our jurisdiction but of the Headquarters in Heaven to categorize them into twelve tribes, except, the criteria for categorization are revealed to the church.

- 69. Anyone who is not actively part of a local church is either backsliding or entirely not part of the spiritual family of God.
- 70. No matter your excuse about what is happening in the church, you must not walk out of the church which is the spiritual family of God.
- 71. There is no perfect church denomination and you are free to change denomination but do not be deceived by Satan to walk out of the church entirely. Not all Christians are reborn by the Spirit of God, therefore, gain spiritual maturity to identify them and not allow them to make you stumble.
- 72. It is your primary responsibility to defend the flock of God where false doctrine or spiritual practices are being exalted. (Jude 1:3, 1Peter 3:15, 2Corinthians 10:5, Psalm 94:16, Titus 1:9, 2Timothy 4:2, Philippians 1:16, Ephesians 5:11, 2Timothy 3:16-17, Matthew 5:11-12, 1Peter 4:14, 1Thessalonians 5:21)
- 73. If everyone keeps staying away from the church or from being active, joining to reproach the church or relaxing the scriptures, would Jesus Christ meet faith on earth when he shall return? (Luke 18:8)
- 74. Are church members not the children of God? (John 1:12, Hebrews 10:25).
- 75. Why are the children of God mocking the family of their Father? Do they not know that Satan gathered among them to destroy them? (Job 1:6, Jeremiah 5:26)
- 76. Why give Satan the easy ride? If you are afraid to defend the faith and instill God's undiluted principles

and statutes in your local church denomination, pray to God for what to do.

- 77. Never leave the church or the body of Jesus Christ! Leaving the church is leaving the family of God.
- 78. This is a challenge for the children of God to have a new beginning or reinforcement. The church denominations are the spiritual family of God but always remember Judas Iscariot which is the lost tribe of the family.

Initiations

- 79. [In my days at the University, I did ask my different friends who were members of different cults about their initiation; some got angry while some told me. I noticed that though they are different occult groups, they all mentioned the use of blood at some point and there is also a common fire ritual or passing through the fire. Whereas, the Bible warned against misuse of blood and prohibition of passing through fire was commanded in Leviticus 18:21 KJV]
- 80. The many tribes in the spiritual family of Satan have their different rites and rituals to be performed in order for any new member to be initiated.
- 81. There is only one scriptural initiation process to join the spiritual family of God, no matter the tribe you want to enter through.
- 82. The chain process of initiation include to receive and believe the Gospel of Jesus Christ [his divinity, his mission, his teachings, his death and resurrection, his

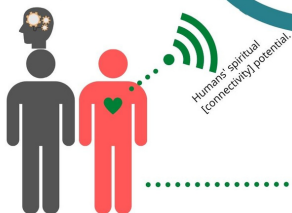

blood, his name and his second coming]

- 83. Followed by repentance and confessions
- 84. Baptism (baptismal class might be a prerequisite in some denominations)
- 85. Discipleship class, orientation or training
- 86. Participating in the Holy Communion
- 87. Finally and so important is building and deepening a loving relationship with God and fellow humans.
- 8. The church is not a religion, it is the gathering of the children of God, whether they are two or three persons.
- 89. Be spiritual and not religious!
- 90. Although Jesus preached the coming Kingdom of our God, the pillar of Jesus' teachings is love.
- 91. Love is the number one spiritual fruit. Love everyone and anyone with the love of God and that is how the world will know that you are a child of God.
- 92. Our passport is holiness and virtues. We accept and keep the governing laws of God in the 66 Books of the Hebrews Holy Bible because our God is the God of the Hebrews and for all nations.
- 93. However, we do not observe some part of the Mosaic laws and Israelite custom that are considered inhumane for slavery practices and stoning to death, read Mark 10:5.
- 94. We are also at liberty whether to observe, or not, the ordinances of the Old Testament Temple since we have the New Testament church which is not built as

the Old Temples.

- 95 Which family do you love and would prefer between the families?

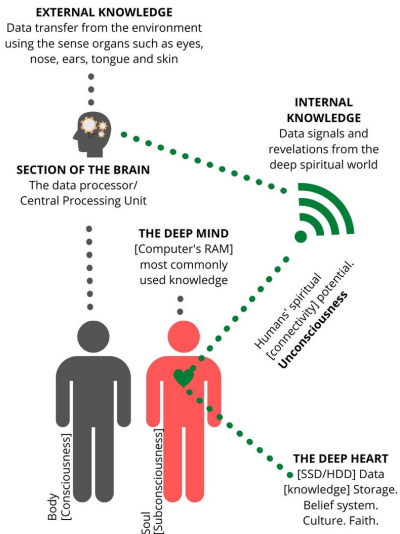

Studying the unpopular verses of the scriptures, I do not believe in the third person of humans called spirit. Human is just the body and the soul. However, the soul have natural capability to relate with the spirits including God, if it were not caged. The soul can see and communicate with God and other spirits. But the soul itself is not spirit.

This is the container of the soul --the **body**. It helps with the consciousness of the physical world. It relates with the environment. This is not eternal. It shall decompose and return into dust after death and burial or burning. It is also the rule of logic and physical fact.

This is called the **soul** and it is the actual person. It is eternal unlike the body. It became caged in the body through transfiguration when a forbidden fruit was eaten. Through death, the soul shall be separated from the body. The soul is the actual you or I that God warned would be thrown into eternal lake of fire with Fallen Angels if we fail to choose the right side.

Matthew 22:37: Your Deep Heart, Your Deep Mind and your Soul unto Him

Notes:

The kind of spirit that the Soul submits to shall influence and supply the internal knowledge through ideas, inspirations, instinct, dreams at sleep and spiritual conversations. Other environmental spirits's signals also have influence here.

Confession is not enough for soul to submit to certain spirit, the behavior of self or lifestyle shall always attract the corresponding spirit/s.

Meanwhile, before data [knowledge] sink into heart, it should have been filtered during reasoning [and checkmating] to discard the knowledge tested as unprofitable and keep the profitable. Do you filter knowledge before it sinks?

End Notes

IN Matthew 22:1-14, Jesus gave a parable showing how the Almighty God sent Jesus to His chosen people --the Israelite-- who eventually rejected Jesus and ensured that he was killed.

Who would ever guessed that the people of Israel could kill the Son of God? Stiff-necked people of ancient Israel who boast of the Almighty God whom they did not honor. An hundredth of the miracles which God performed for the Israelite would turn Africa and Asia around from their idol worshiping towards the Almighty God. There is another proverb for the People of Israel which Jesus told in Matthew 21:33-46 who are fond of persecuting the Messengers of God that preaches against their lifestyle and vain religions.

When it was time to fulfill Matthew 22:1-14, a vision was shown to Apostle Peter to take the 'Invitation' to pagan [gentiles] and other unGodly cultures of the world, but Apostle Peter could not afford to mix his life with idol worshipers and pagans. Acts 10:9-16. Paul was then chosen to replace Peter in the mission. Acts 22:1-21.

Then, Jesus met Saul and transformed his life and name into Paul the Apostle who later took the salvation news [the 'invitation'] of God to the pagans and idol worshipers. The works of Apostle Paul to introduce man more People of Rome to God through Jesus is the fulfillment of Paul's calling to build a bridge for as many that would walk into

the arms of the Almighty God who manifested through Abraham, Isaac and Israel. Paul strengthened the earlier Christian community in Rome through his ministry.

Church of Rome gained more power and state influence about the time of Constantine and many people who are easily attracted to power joined the church which was like a ruling [political] party. Many without genuine encounter with God held on to some of their cultures in the church and try to find similarity in their culture and the Christian culture brought. This and other influx made many questionable Christian positions [doctrines] emerged from the Roman Catholic Church which has many branches all over the world.

For example, the seeming idolization of Mary who bore Jesus and also the bowing before her statute and others' in the Church. Perhaps, there is an equivalence for Mary in the Roman culture so she probably fits. Whereas, Mary is just one of the servants of God who was part of those mortal vessels to fulfill God's purpose of salvation for humanity. Just like other Apostles and the old Prophets including John the Baptist who was declared the greatest messenger so far [greater than Mary because she was already on earth at the time of Jesus' comparison in Luke 7:28]. Mary was simply one of the messengers and she is not their queen. There is no Queen of Heaven or Queen in Heaven [Matthew 22:29-30], if it were, such role cannot be hidden throughout the scripture just like the Office of the

Son of God was not hidden. Mary is just another messenger and if you want to understand the role of Mary better, connect through the Holy Spirit [with prayer and fasting], then look into how the first woman [Eve] conceived the evil desire and was determined to convince Adam and gave the evil to the world. For this, another woman was revealed to annul that evil of Eve! In Revelation 12:1-5, the Holy Scripture refer to Mary as a woman not Queen. The crown of twelve stars on her head symbolize the 12 tribes of God among all humans that she was meant to bear their Leader, Lord and King Jesus. This same twelve tribes of God among humans are repetitively shown in the likes of 12 tribes of Israel and 12 disciples of Jesus. The interpretation of the sign of the Sun and Moon in the same Revelation 12:1 would require more writing.

All the Offices of Jesus was clearly stated including the Office of the Son of God. If Mary was part of Heavenly beings [John 3:13], it would be recorded about her but she is just one of the mortal instruments. Rest in peace Saint Mary! Each of the messengers served and are still serving their purpose.

"Woman, you are one of the messengers assigned by God and you have completed your mission already. I am not your son per se and this you should have understood by now but I will give you a son in my place. Look at John, he is now your son and for you John as well, take her as your mother henceforth" John 19:26

Another doctrine of the Roman Catholic is the Holy Trinity since idols with three godheads are popular among the deities of Rome, whereas, God is monotheistic in Abrahamic culture. Including in Islam which is one of Abrahamic religion, God has been known to be monotheistic until the intervention of Rome in the Church, then it became the same God having three forms.

God and Jesus Christ are different beings, the Holy Spirit is poured out of the Seven Spirits of God. (Joel 2:28). In John 10:30, Jesus said my Father and I are one [united by purpose, tightly close and inseparable by intruders, we are so transparent to one another and giving no room to mischief makers]. In John 14:28, Jesus said He is not co-equal with God like what the Roman's Holy Trinity says about co-equality –when he said my Father is greater than I. In John 14:28, Jesus said I am going to my Father [in Heaven because I am still here on earth], if Jesus was the same Almighty God, there would be no need to go to Him again. In Acts 7:54-55, it reveals two beings –the God on the Throne and Jesus standing on His right hand.

Besides, who was Jesus Christ always praying to? He was always praying to his God, read John 20:17. Oh! How the culture of the heathen have corrupted the sanctity of the church of Jesus Christ in different parts of the world, and boldly exported into other nations. The effect of wrong fundamental doctrine is that it limits the believer from developing great relationship with God based on unclear

understanding. The more anyone knows God on personal level, the greater that relationship. Therefore, imagine a man who comes before God all the time full of ignorance, praying or giving his worship in manner that has potential to stir jealousy and anger in Heaven if God were not wise to discern thoughts, reasons and intentions.

Wrong doctrines make ignorant Christians to direct their worship to Jesus or kneel before Mary and bow for the statutes of other saints. The Angel warned John in Revelation 22:8-9, FOR ONLY GOD MUST BE WORSHIPPED.

Wrong doctrines is the reason that gospel singers use lyrics like "Jesus I worship you". Although, Satan would want another chaos in Heaven, especially between Jesus and the Almighty, but thank God that no intruder can come between them even though the Almighty is Jealous – Exodus 34:14. [Remember –my Father and I are one in John 10:30]. Wearing upon him all the Seven Spirits of God makes him look like the Almighty but he did not rub God of His position –Philippians 2:6.

The reason Jesus was called the Almighty Father by Prophet Isaiah is because he saw that Jesus would come with all of the Seven Spirits of God without measure, wherefore, he did not rub it of God. See how the entire Seven Spirits of God was placed on Jesus in Revelation 5:6 I write having the gift of a Prophet too and you can ask from any local Prophet around you, we do not see all

things. Even things that are revealed to us by God, human incapacity still miss some descriptive details. To further confirm this, compare the Throne of God which Isaiah saw in Isaiah chapter 6 with the same Throne of God which John saw in Revelation chapter 4 and you will realize that one is more detailed than the other. I can confirm to you that the difference is the calmness of the Prophet to calmly and attentively look in for more details, but for the fear and ecstasy, we cannot see enough. This explains why Isaiah referred to Jesus as the Almighty Father, he should have checked the detail. However, when Jesus himself came, he said he is not the Almighty Father as shown in the scriptures above.

Have you seen Holy Trinity in Matthew 28:19 which says baptizing them in the name of the Father and of the Son and of the Holy Ghost? God is the Master-planner of the salvation of mankind and Jesus is the sacrificed lamb where the Holy Spirit sustains the work done by Jesus. Each played their role in the salvation of humanity and it pleases God that we are baptized not only in His name but also in the name of the sacrificed Lamb and Holy Spirit, the Sustainer of Christ's works. Study the Book of Revelation chapter 4 and 5, there you would discover that Jesus was brought into the picture of God's Throne where he played a role in the salvation of humans as testified to by one of the twenty-four Elders in Heaven. The Father, Son and the Holy Spirit were mentioned in Matthew 28:19 because each played their role at ensuring the salvation of

humans and that they make it through to the eternal paradise.

False doctrine is the reason that makes people go into Church and bow the slightest for the carved image of great past saints. Exodus 20:4-5 sternly warn that “you and I shall not make any sculpture, graven image, painting or photograph as an object of worship [of any kind whatsoever] for yourself [not even of the things in heaven, not even the original photograph of the Jesus who came from heaven, no image at all. You are forbidden to make them and secondly forbidden to bow the slightest for them. I am God]. Keep this phrase in mind and it can help you “I do not bow!”

There are also several other inconsistencies in the church with published articles available to defend every questionable doctrine. Do your research on Trinity or Triad Gods in Rome's culture. Many old church denominations that broke out of the grip of the Roman Catholic Church at that time also adopted most of their doctrines which now looks like norm in the church today.

It is the same way that the People taken from Africa and turned into slaves during the slave trade era held to their cultures whilst pretending to worship the God of their slave masters in the Christian way. This birth different Christian-lined idolatry religions in South America.

Many cultures have mixed up the sanctity of Jesus' church --the family of God.

The Temple during Jesus time is Orthodox and the fear that Jesus' practices challenges their existence is part of the reason for persecuting him by the Jewish Leaders [church leaders today hunt down the truth just like the Jewish Leaders in the days of Jesus our Lord]. After Jesus, by his disciples, the church of Jesus Christ is Pentecostal in relation to the experience of Holy Spirit on the Pentecost day. The church is also Evangelical to increase the number saved souls worldwide. At the death of Jesus, the veil of Orthodoxy was torn apart. But if you have found God in Christian Orthodoxy rooted in Jesus, kindly stay put because some local Pentecostal churches are dens of evil spirits and Satan. However, any Church that silence the role of the Holy Spirit in all its diverse ways should have a rethink. Different manifestations of the Holy Spirit that are widely silenced in supposed Christian gatherings include speaking in tongues, foretelling, visions, healing, spiritual inquiries through prayers among others.

Jehovah Witnesses Organization, another Christian denomination on the other hand, works assiduously the work of evangelism but would do better if they allow and promote the Holy Spirit and its manifestations. To also prayerfully discern that eternal fire is literal and that this world would not be repaired but destroyed and new earth and heaven shall descend from God. I have attended

several meetings of the Jehovah Witnesses to find out what they believe and teach and I found that they are making some mistakes that can easily be corrected. One of the very sensitive errors is that they tell that God is too good to destroy the world. Please if He destroys the world, who would arrest Him? When He burnt down Sodom and Gomorrah, did He not warn them ahead? Were there no young children and pregnant women in the days of Noah who drowned in the flood? God is not afraid of anyone's opinion and He does not predict like the new age refer to prophecies as predictions, He foretells what He would do and He surely lives up to His words. Resurrection of all good and bad people to Judgment Day is real, destruction of this world is real and eternal lake of fire is real according to the Holy Bible, we must not twist the scriptures.

Those who want to change the Hindus to Christianity and the Muhammad followers to Jesus followers but who cannot even change their fundamental doctrines, beliefs or practices are people to be concerned for. When you see the truth, you can easily identify it. Instead of writing the next publication by logic and impulse to counter the truth, just make the necessary changes under the influence of the Holy Spirit.

All church denominations are one big family of God and there is no perfect church. The Church of Jesus Christ for God is one and universal where every identity name is a

denomination [denominations such as the Catholic, Jehovah Witnesses, Anglican, Methodist, the Sacred Order of Cherubim and Seraphim Church and many others] form the universal church. If a church denomination is God ordained, do not attack their ways because their practices might be the right appeal to attract their audience. However, by their practices, you shall know whether they are Jesus' because there are universal benchmarks and theme. False doctrines and teachings are forbidden by the scriptures, therefore, we must fight it off.

We must grow, unlearn to relearn and seek God's corrections. The Universal Church of God must come together because they can only reach their potential to change the world for the best if united in Jesus Christ. There is need to stop hating on one another for example, hating a Christian praying with candles or criticizing those who worship in white garments. Remember that there are different appeals for different people because God Himself created diversity. No matter the diversity [tribes] in Jesus Christ, with discernment and good knowledge of the scriptures, you can tell the wolves who come in sheep clothing. The Universal Church --the Family of God on earth-- is one!
